In Loving Memory of

Cheyanne Nicole Denniss

November 2, 1996 – November 2010

In loving memory of Chey,

Cheyanne was an amazing girl who was many things. She was smart, pretty, king, and a role model for others. She knew how to make you laugh, lend a helping hand, and reach out to others in need. She inspired all of us to be better.

Chey wasn't just a good student, but a good friend. She listened, encouraged, and supported her friends in every way that she could She loved her friends and her friends loved her.

Cheyanne was also a very loving daughter, sister, granddaughter, niece, and cousin. Her family was very important to her. She made a point of spending time with them at every opportunity. She enjoyed her time with her family, even if it was just sitting around and watching her favorite tv show or movie with them.

Cheyanne enjoyed many different things. She loved the Beatles, reading novels, eighties music that she and I would jam out to, and she loved watching scary movies with her dad. She loved getting ice cream with her grandparents, and helping her little cousins even if they drove her crazy. She loved her family and they loved her.

Our Chey-Chey, you will forever be in our hearts and thoughts, and you will forever be missed. We love you.

Also, Cheyanne would be very proud of all her peers. Graduating is an important stepping stone of life, and it's something to celebrate.

Love,

Mom
