

eBooks and audiobooks for Android

You can use OverDrive's mobile app to borrow, read, and listen to library eBooks and audiobooks on your Android device.

Step 1

Download our app, OverDrive Media Console (OMC), from the Google Play Store or

www.overdrive.com/products/media-console.

Need more help?

Contact your library or visit OverDrive Help at help.overdrive.com.

Step 2

In OMC, tap the  icon (or go to Menu > Get Books), then tap  to find and open your OverDrive library website.

- Tap the star to save your OverDrive library website to your library list.
- Tap your library's name to start browsing.

Step 3

Log into your OverDrive library website with your library card and borrow a book.

Step 4

Find borrowed books on the Bookshelf under your account. You can:

- Tap Read to open OverDrive Read eBooks right in your browser.
- Download EPUB eBooks* and MP3 audiobooks to the bookshelf in OMC.
- Tablets only: Download Kindle Book format to a Kindle or Kindle reading app.

*Note: To read eBooks in OMC, follow the prompts to authorize your device with an Adobe ID. It's a one-time, free process that takes just moments to complete.
