Motion: It was moved by Stan Legenc and seconded by Jane Poczatek that the November 18th minutes be approved as presented. The motion passed unanimously.

Treasurer’s Report: (see attached)

Deb Lawson highlighted #3 of her report. After careful consideration the Finance Committee advised the board that our percentages between unassigned (37%) and assigned (63%) could be adjusted to reflect 25% (unassigned) and 75% (assigned). This recommendation reflects the fact that the TDL Board has historically been very fiscally conservative and the auditor has advised the group that the cushion for unassigned funds could be as little as 25%.

Motion: Chuck Gehrke moved that the Treasurer’s Report be accepted as presented. The motion was seconded by Matt Linke and it passed unanimously.

Consent Agenda: Jane Poczatek asked that the Fund Development report be pulled from the Consent Agenda. Motion: It was moved that the Consent Agenda be approved as revised by Chuck Gehrke. Deb Lawson seconded the motion and it passed unanimously.

Fund Development Report: Jane Poczatek asked the Board to consider what their comfort level will be in assigning funds to the future renovation project. Grants will be pursued as well but members of the Board need to consider how much are we willing to assign from funds we already have in order to have a comfortable cushion in case of unforeseen emergencies.
Discussion then ensued about the definition of “assigned” and “unassigned” funds. Deb Lawson referred Board members to the GASB 54 Report from the March 2014 meeting for further clarification.
