

## Downloading Library Books for NOOK 3G, NOOK WiFi, NOOK Simple Touch, NOOK Simple Touch w/Glowlight

---

### To get started you will need:

- A Barnes & Noble NOOK
- A current TDL library card
- **Adobe Digital Editions** installed on your computer. Download this free software at <http://www.adobe.com/products/digitaleditions>
- A free **Adobe ID**
- Your NOOK's USB cable

### **INSTRUCTIONS**

#### **Get Set Up:**

- Download **Adobe Digital Editions** software to your computer. (You only have to do this once.)
- Activate the software with an **Adobe ID**. When you connect your NOOK to your computer while Adobe Digital Editions is open, it will ask you (the first time only) whether you want authorize the NOOK with your Adobe ID. Confirm.

#### **Downloading eBooks:**

- On your computer, use your browser to go to [www.tecumsehlibrary.org](http://www.tecumsehlibrary.org), the Tecumseh District Library homepage. Click on the **Overdrive** link (located about half-way down the right side of the page). This will take you to the **Woodlands Downloadable Library** home page.
- On the Woodlands home page, click on the **"My Download Account"** button at the top of the page. Select **Tecumseh District Library** from the list of libraries on the drop down menu, then sign in with your library card number.
- Browse the library's collection of eBooks and add the Adobe ePub version of the desired title(s) to your book bag. Be sure to select the **ePub** format for your NOOK.
- Click **"Proceed to Checkout"**; select checkout period from drop down menu.
- Click **"Confirm Checkout"**
- Click **"Download"**. After the download process is complete, if not already done, connect your NOOK to your computer with the USB cable.
- Open **Adobe Digital Editions**, and click on the **"spined books"** icon in the top left corner of the screen to see your eBooks listed on the right pane of the window.
- Find your NOOK in the left pane of the **Adobe Digital Editions** window.
- Drag and drop the eBook title you wish to transfer to your NOOK to copy the book to your NOOK.
- Safely eject your NOOK from the computer.
