

# Outreach Services

*Bringing the Library to Your Door*

## What is Outreach?

The Tecumseh District Library has free delivery of materials to persons who are physically unable to visit the Library, including the elderly, the disabled, and those who are temporarily incapacitated by illness or accident.

We strive to offer the same access to library materials that you would have when visiting the library in person.

## What Can I Request?

Any material that circulates from TDL can be requested through Outreach. You can request specific titles or our staff will be happy to select materials based on your interests.

## How many items will I receive?

That depends on your preference. Most people find 4 to 5 items per delivery is enough to keep them occupied. We can adjust the number at any time.

## How do I register for this service?

If you or someone you know can use the Outreach Service, complete this form on the back of the brochure and mail to us. Or call TDL at 423-2238 for additional information.

## How often will items be delivered?

Items will be delivered on a monthly basis.

For additional assistance, contact Gayle Hazelbaker, Library Director, at 423-2238.

# Main Inside Heading

The most important information is included here on the inside panels. Use these panels to introduce your organization and describe specific products or services. This text should be brief and should entice the reader to want to know more about the product or service.

You can use secondary headings to organize your text to make it more scannable for the reader.
