VALEDICTORY

CYNTHIA SPAFFORD

The world into which we are passing tonight is in deep and utter confusion. Hatred, fear, and war seem now to be the stepping stones of life, instead of peace, harmony, and brotherhood. Many of us will soon take up arms with the free nations of the world in the fight for human rights and justice. Some of us may never return.

In our short lives, we have known only a world full of unrest. Children of the depression, we have lived through the most horrible and bloody war mankind has ever known. Less than a year ago Americans were again placed on the battlefields. These things have left their indelible mark upon us.

Through all this, the school has been our constant guide. Friendship, confidence, and faith have been made an integral part of our education. And here we have learned that education in itself is far more than the routine of books. It is an intangible thing, which comes only by the day to day relationship with people.

The upheavals of the world have left their mark upon the school, too. But however deep those marks may have been, that school is sending us out tonight with a philosophy of life that is full of hope, and eagerness to accomplish things that others before us may have left undone.

Our education has been the solid foundation on which we are to build the future of the world. This is our goal—to preserve liberty, establish peace, and enrich the world with the principles of a free people.

Tonight is not the end—it is the start. We have not finished, but only just begun.

SALUTATORY

GERALD AEBERSOLD

We, the class of 1951, extend a hearty welcome to you, our parents, teachers, and friends, and are sincerely honored by your presence here tonight. We may try to express our appreciation for your guidance and care, but words will never show what is in our hearts. You have helped to make our lives both enjoyable and profitable. We shall never forget that fact.

Gradually we have severed the ties that bind us to you. As we entered school, new problems confronted us. Those who met and answered the challenge are seen upon this stage tonight. Others were left behind. For twelve years we have studied, with the guidance of our teachers and help of our parents. Now we have finished our school life, and we are beginning a new career in the world.

We are graduating into a world struggling for human rights. Our forefathers fought mainly for their own freedom, but now we are fighting to secure freedom for all and to establish everlasting peace. The Communists try to turn our heads by propaganda, but we know the truth. Instead of a dictator, we want a government by the people. We prefer our system of free enterprise to that of Communism.

As we enter our chosen course of life, we find great opportunities ahead. Some of us will go on to college to prepare for more specialized positions. Others will take up at once the duties of earning a living. Only the future will show how well we succeed.

Our class motto, "Not Finished; Just Begun," will lead us to high achievements in the future. But we must remember the aid that has been given to us. Without parents, teachers, or friends we would not be graduating. Each is necessary. Your presence here tonight encourages us to meet all problems which the future may hold. We shall soon leave our school memories behind us, and, as we go, we salute you.

PRESIDENT'S ADDRESS

CYNTHIA SPAFFORD

Classmates and Friends:

As the last assembling of the class of Fifty-one draws near, we recall the fond memories of the past twelve years. The playground at recess, the heat and excitement of night-time pep rallies, the uncertainty of semester examinations, and all the rest of the little things to which we are beginning to attach an intangible value.

We have now reached the end of our high school career. Most of our life lies ahead of us, as far as the number of years is concerned, but the achievements in friendship and cooperation that we have already gained cannot be evaluated. Our education has been the foundation, the root from which our personalities have grown, from which our likes and dislikes have been developed, our sense of tolerance and fair-play personified.

Let it never be said that we have done this alone, for we have been but human experiments, tools in the hands of our elders, for them to shape and mold. They have taught us the meaning of lasting friendships, many of which have been cultivated and nurtured during these years. They have impressed us with the value of good sportsmanship, which will be carried with us long after we have left here.

To my classmates, I wish to say that I have considered it a great honor to be your President this past year. But you yourselves have done the work, deserving all the credit for the work you have accomplished.

In behalf of this class, I wish to express their deepest respect and appreciation to one man who has done more for us, perhaps, than we now realize. The kindness, directness, and fairness with which he has guided us, deserve for Mr. Neville Hart, all the gratitude it is possible for words to express. We can never hope to repay him for all he has done, and to him, to our other teachers, to you, our parents and friends, we humbly say, "Thank you." And now at the end of our four years of companionship in high school, I want to say—goodbye and good luck.

CLASS HISTORY

As children of the Atomic Age, we took up the challenge to rise to the greatest heights in the universe, having Earthman Hart as our chief engineer on our courageous voyage from this planet to the moon. Our trip would require four years of preparation, and we began the necessary planning in the fall of 1947.

An able man being needed to start our plans on the right foot, we chose David Van Winkle, and, to assist him, David Ousterhout. A journal to record the daily happenings was started by Kathryn Sisson. Ken Swarts collected funds to help finance the long, daring expedition. To keep students events running smoothly, Shirley Bailey and Owen Campbell were elected, and Red Cross problems were handled by Eris Baily and Duane Hay. Along came Christmas, and we all had a fine time at the dance. Being short on funds, we took part in the Carnival and took second honors with our "Ring Toss." At the close of 1948 what could be nicer than celebrating the completion of our plans with attending a splendid May Party?

A year later found us busy with the construction of our Rocket Ship, under the continued and expert supervision of Mr. Hart, aided by Mrs. Kuhn and Mr. Furbush. Under the leadership of James Dick and his partner, David Ousterhout, we made marked progress. Shirley Finnegan was kept busy recording, as things were happening rapidly now, and our assets were built up by Joan Breitenwischer. Betty Jo Hanna and David Murphy kept track of Council activities, and Evelyn Arnold and Gerald Aebersold represented us in Red Cross meetings. Our money-making campaign now in full swing, we profited from numerous bake sales and candy sales. As the ship was progressing swiftly, we took time off to enjoy a Christmas Dance, and the "fellas" were rushed during Sponge Week. We were honored by being chosen to serve at a large Junior-Senior Reception. Before we knew it, the year had rolled to a close. After adding a few finishing touches to our ship, we trooped off to the lake to have a picnic, and what a picnic it was!

By the fall of 1949, the time of our take-off was getting closer. Ken Swarts now assumed a large share of the responsibilities, and Cynthia Spafford was a big help to him. Final arrangements before leaving gave Evelyn Arnold plenty to add to her journal, and David Van Winkle was kept busy making sure our funds would be sufficient to complete the trip. Our Council members, Jolene Barron, Joan Lewis, and Owen Campbell, did a fine job. As always, we were able to rely

upon the untiring and sensible advice of Mr. Hart and Mrs. Kuhn. When a check was made, we found, to our dismay, that our resources were insufficient, but this was not for long. Magazine, pencil, and bake sales greatly boosted our reserve. All of us were delighted with our new, shiny class rings. Again we joined in the Carnival fun, and made a pretty penny, too. We managed to have our boy, Ken Swarts, elected Student Council President. There was just no limit to the fun that year! We presented a successful play, "Almost Summer," which everyone enjoyed. The big, gala event of the year was the Junior-Senior Reception, at which the Seniors were our guests. A dreamy, luxurious evening at the Country Club was a pleasant climax for the year.

Before we knew it, it was the fall of 1950. Cynthia Spafford, our able president chosen for this eventful year, was always able to rely upon Howard Pennington, her right-hand man. The final events were kept track of by Gerald Aebersold. As always, we could find plenty of uses for money, and Joan Breitenwischer kept the books straight on that score. The efficient Council members that year were Betty Jo Hanna, Jolene Barron, Ken Swarts and Tom Everlove. Our faithful advisers, Mr. Hart and Mrs. Kuhn, still guided us over the rough spots which this Senior year presented. Many highlights dotted this year, one of the outstanding being the successful presentation of our play "Not In A Thousand Years." Our finances were built up by magazine and greeting-card sales, bake sales, and paper drives, all of which the class supported splendidly. We also sold refreshments at the games. Each day now was bringing us nearer and nearer to our anticipated goal. Everyone had a wonderful time at the Christmas Dance and again at the May Party.

In accordance with our plans from the beginning, we took a wonderful trip to Washington. Those six days of merriment and exploration certainly took first place in everyone's memory. Another festive occasion was the marvelous Reception given for us by the Juniors.

At last, graduation night has arrived. Anxious and eager to find what is in store for us, we never the less experience a lonely, sad feeling with the realization that from now on we, who have been friends for so long, will now each go our own separate ways in this waiting universe. Anticipation is in the air as we, 74 in number, file onto our rocket ship, leaving behind us many blissful memories, each striving forward with the powerful, ardent phrase on our lips,— "not finished,—no, not finished,—just begun."

CLASS SONG

(Tune: "When Irish Eyes Are Smiling")

BY

SHIRLEY FINNEGAN and LOIS LAWSON

Our high school days are over;
They have sailed right by, it seems,
On those ships of happy moments,
Leaving waves of golden dreams.
Now that these ships have passed us,
We may feel a little sad,
For we'll miss our friends and teachers
And the fun we've always had.

And yet . . . we must look forward
To the ships whose masts we see
Gliding o'er the blue horizon—
Sailing on to you and me.
We know not what will greet us
As our course of life is run,
But within our hearts we feel that
It's "NOT FINISHED . . . JUST BEGUN."

NOT FINISHED — JUST BEGUN

by DONNA CRAIG

We are not finished; we have just begun
The tasks we shall share in life,
Our duties to a crying world
In peace and war and strife.

We are not finished; we have just begun
A job; with a million more,
A battle of liberty, love, and life,
In a land with the highest score.

We are not finished; we have just begun
What looks like a life-long call.
It is, my friend, a tiresome jaunt,
But not a lonely one at all.

We have not finished; we have just begun
The best is still ahead.
We must labor, work, and work still more,
Even after our prayers are said.

We have not finished; we have just begun
The walk down life's hard road;
But at the end, we shall rest assured
That we could carry the load.

CLASS WILL

We, the Senior Class, comprising the aristocracy of Tecumseh High School, and being the best, most successful, and illustrious class the school has ever known, being of supposedly sane mind and sound teeth, do hereby give permission to Cap Orr, Joan Breitenwischer, Kathron Hicks, and Tom Rohweder, because of their long experience in the multiple affairs of Tecumseh High School, to draw up our last will and testament, which is as follows—

Article I, Section 1: To the faculty we leave our appreciation and heartfelt gratitude for their efforts in teaching us throughout the long struggle of our high school career.

Article I, Section 2: To the Juniors we leave our shining example of debts paid in full.

Article II, Section 1: Individually we wish to make the following bequests:

GERALD AEBERSOLD leaves his bicycle to Kirk Smith.

DONNA CRAIG wills her quiet manner to Joan Judd.

JERRY EGGLESTON wills his car (?) to the nearest junk dealer.

BETTY HAYDEN leaves her understanding of physics and Mr. Dick to Carolyn Comfort.

FOOTBALL

With the opening of the 1950 football season, Coach Duvall began his third year of coaching at Tecumseh High School, and T.H.S. started the season off right by defeating Pittsford, 7 to 0, on a slippery, muddy field.

The high-flying Morenci Bulldogs invaded Tecumseh for the first home game. When they pounded across a touchdown in the beginning of the first quarter, it looked as if the game might turn into a rout. Although the Indians dug in and dominated the playing throughout the game, the Bulldogs managed to eke out a 7 to 0 victory.

The Indians traveled to Clinton the following Friday night determined to scalp the Redskins, but they lost a heartbreaker, 13 to 12. A week later, still smarting from these setbacks, Tecumseh ran all over a hapless Hudson eleven, the final score being 19 to 0.

The next week Addison came to Tecumseh and was sent home with a decisive 26 to 0 defeat. Coach Duvall's squad was hot now, and they romped over Summerfield by a score of 31 to 6. In a high scoring game the following week Tecumseh topped Blissfield 41 to 29 in the annual Homecoming game.

The Indians finished the season in a blaze of glory with a convincing 32 to 6 win over Ida. Tecumseh finished second in the final L.C.A.A. standings with five games won and two games lost.

The Following Seniors Received Varsity Letters

DAVE VAN WINKLE—A fine back who excelled in passing, kicking, and running. His fine play earned him a berth on the All-County first team.

DAVE OUSTERHOUT—A hard-charging right guard who made many fine tackles.

DON BAILEY—Outstanding both on offensive and defense for the Indians at tackle.

OWEN CAMPBELL—An end, who was converted from center and played many a fine game for Tecumseh. He caught numerous touchdown passes.

DICK BEASLEY—A quarterback last season, he was changed to halfback this year and turned in many outstanding performances.

Other Varsity Letters Were Awarded To

GEORGE RUHL—A small but mighty guard who always worried his opponents. George played a bang-up game all season.

LYNN HUNT—A speedy back who played equally well on offense and defense.

TOM NASER—A quick-thinking substitute quarterback whose strategy gained many important yards. A sophomore, he will be available for two more years.

LARRY HART—A player who turned in many topnotch performances this year as a center and who played the full sixty minutes in every game. He earned a position on the All-County first team.

BASKETBALL

The 1951 Basketball team, with four returning lettermen, had a terrific season. They copped the L.C.A.A. Title and then went on and won the District Class "B" Championship. In the Regionals our winning streak came to an end, as we were defeated in the first game at Albion. The team had a season mark of sixteen games won and two lost.

The season opened with a non-league game against Ida, which Tecumseh won, 43 to 39. Our first league game was a thriller with Blissfield, whom we finally beat after a hard struggle, 39-33. Following this game came Pittsford, whom we walked over, 40-29. Addison's small gym caused us no trouble, as we whipped them, 53 to 27. The next game was another lop-sided affair, with Tecumseh winning, 58 to 31, over Summerfield.

Our next game was one of the toughest of the season, as the Morenci Bulldogs were tamed by the Indians, 39 to 36. Tecumseh's traditional rival, Clinton, then bowed to the mighty Indians, 52 to 28.

After giving considerable trouble in the first half, Hudson was downed, 44 to 34. The next encounter was a non-league affair with Dundee, which Tecumseh easily won, 41 to 27.

Starting the second half of the season, the Indians again defeated blissfield, 40 to 35. Then, still rolling at full steam, they soundly trounced Pittsford, 56 to 32. February 12 was a dismal day for T.H.S., however, as the visiting Addison five handed the Indians their only conference loss in a close scoring game, 34 to 33.

On Friday of the same week the Tecumseh five regained

their stride by beating Summerfield, 43 to 34. With the county championship still at stake, the Indians out-scored Clinton, 55 to 41, in a hard fought battle. Then at last, after four years, Coach Duvall's five won the L.C.A.A. Basketball Championship, with a decisive 46 to 30 win over Morenci. Good work, men!

For the first time in the school's history, the Indians participated in the Class "B" District Tournament. The initial game was with Monroe Catholic Central, which Tecumseh won after a hard battle, 40 to 38. After this came a game with Adrian to determine the District Class "B" champs. It was a close game throughout, but the Indians came out on top, 40 to 31. In the first game of the Regionals, played at Albion, Tecumseh was stopped by a powerful Hastings five, 52 to 29, thus ending an exceptional season.

The Seniors winning letters were Owen Campbell, Dave Van Winkle, Dave Ousterhout, Dick Beasley, and Gerald Aebersold. Other letter winners were John Sisson, Dick Whelan, Bob Marsh, Larry Hart, Jim Breitenwischer, and George Ruhl.

Dave Van Winkle and John Sisson were placed on the All-County First Team, while Dick Whelan and Owen Campbell were selected for the second team.

The Reserve team, coached by Mr. Standen, also had a good season, winning ten games and losing four. The four games that they lost were with Ida, Addison, Pittsford and Morenci. There are some good Varsity prospects on the team.

TRACK

The 1950 track season got off to a very late start because of bad weather. The team was strengthened by nine returning lettermen, and the Indians had a fairly successful season by winning four of the track meets and placing second in the other two.

The first meet of the year was held in Tecumseh, and we easily won over Summerfield by a score of 78 to 22. Rohweder was high-point man with 10 points, and Phibbs, McDowell, and Colson were tied for second with $6\frac{1}{4}$ points apiece. The following day, May 4, the Indians engaged Addison here and defeated them 82 to 27. Tecumseh beat Blissfield in the next meet, with a total of $68\frac{1}{2}$ points against Blissfield's $40\frac{1}{2}$ points.

On May 10, the Indians traveled to Adrian for the L.C.A.A. Track Meet, which was held at the Adrian College track. There were eight schools entered in the meet: Tecumseh, Morenci, Clinton, Hudson, Summerfield, Addison, Pittsford, and Blissfield. Morenci won, with a total of $135\frac{1}{2}$ points, and Tecumseh came in second with $63\frac{1}{3}$ points. Phibbs was high-point man for Tecumseh, winning both the 100 and 220-yard dashes. Rohweder was second, with 8 points and a first place in the 110-yard high hurdles, and Marsh was third with 4 points. Thirds, fourths, and fifths picked up the rest of the points.

May 15 took the Indians to Morenci for a triangular track meet between Tecumseh, Morenci, and Hillsdale. Morenci took first place with $62\frac{1}{4}$ points, while Tecumseh and Hillsdale came in second and third, with $49\frac{1}{4}$ points and $25\frac{1}{2}$ points respectively. Phibbs was high-point man for Tecumseh with $10\frac{1}{4}$ points. Marsh and Rohweder were second with 6 points apiece.

The Indians ended the track season in fine fashion by beating Clinton in a dual track meet here. Tecumseh finished with $62\frac{1}{6}$ points, and Clinton had $46\frac{5}{6}$ points.

On May 20 the Regional Track Meet was held at Ypsilanti, but no Tecumseh man placed. Rohweder, Phibbs, and McDowell were high men for the season with 51, 46, and $39\frac{1}{4}$ points respectively.

The lettermen who were lost to the team through graduation were Lee Phibbs, Doug McDowell, Jack Colson, Don Withrow, and Keith Dunfee. The ten returning lettermen are Jerry O'Brien, Dick Whelan, Bob Marsh, Don Anderson, Dave Van Winkle, Jerry Eggleston, Tom Rohweder, Don Bailey, Jim Sloan, and Ken O'Rourke.

STANDING: Bob Kruger, Tom Naser, Jim Wilson, George Ruhl, John Sisson, Coach Duvall, Larry Hart, Wayne Patton, Les Wisner, Fred Long. ,
 SITTING: Jim Breitenwischer, Ken Swarts, Tom Hamilton, Dave Murphy, Dick Beasley, Bruce Baker, Dave Van Winkle, Lynn Hunt.
 MANAGERS: Doug Aylesworth, Fred Mays.

BASEBALL

When the 1950 baseball season rolled around, the team had two previous successful seasons to live up to. Both 1948 and 1949 had produced championship teams, and Tecumseh High had not lost a baseball game in nineteen starts. The 1950 team boosted the number of wins up to 23 games; then Pittsford stopped us, 7 to 3. We also lost the next game to Addison, 7 to 4, but then Tecumseh regained its stride and won the remaining ten games, clinching another championship.

Our coming season should prove exciting for the Tecumseh baseball fans, since we have lost only two varsity letter winners, leaving us a team of veteran players. The following letter winners will return this year:

BRUCE BAKER
 DICK BEASLEY
 JIM BREITENWISCHER
 LARRY HART
 LYNN HUNT
 FRED LONG

DAVE MURPHY

DEBATE

STANDING: Doris Bilby, Carl Freckelton, Greta Porter.

SITTING: Tom Everlove, Nancy Kinietz, Mr. Furbush, Beverly Hay, Merlyn Wagner.

The 1950-51 Debate question, "Resolved that the American people should reject the welfare state," was the most technical and complex problem that has been thus far debated. Despite the fact that to be able to debate this question with any degree of assurance one would have to be well-versed in all the major theories of Economics, our teams were quite successful in both the development of their respective cases and in the number of debates which they won.

An additional difficulty this year which was met and overcome was the fact that, with the exception of Tom Everlove, all members were inexperienced in debating at the beginning of the season. The number of debates won was five out of seven, with one forfeiture by the Adrian team. Although our debaters entered the district tournament, which allows teams who have won six out of eight of their debates to participate, they lost out in the second round, taking a bye on the first, and so they were forced to end their debating season for the year.

The debating teams were as follows: first Affirmative speakers, Beverly Hay, Carl Freckelton, or Victor Everlove; the second Affirmative, Merlyn Wagner. The first and second Negative speakers were Nancy Kinietz and Tom Everlove, respectively. The timekeepers and program chairman alternated with Greta Porter and Doris Bilby handling these tasks.

Under the direction of Miss Cregor, the class of '51 presented a very successful three-act comedy entitled "Almost Summer," in April of 1950. SENIOR PLAY

On November 30 and December 1, 1950, the class of '51, under the direction of Mrs. Macbeth, gave a very successful three-act comedy. The title, "Not in a Thousand Years," explains in itself the difficult time that idealistic Junior Conroy and lovely Jeannie Matthews have in arranging their first date. The confusion begins when Junior learns that he must take his mischievous sister Marjorie with him, and it increases with the arrival of Aunt Alice and Cousin Alicia, certainly not the favorite relatives of the family.

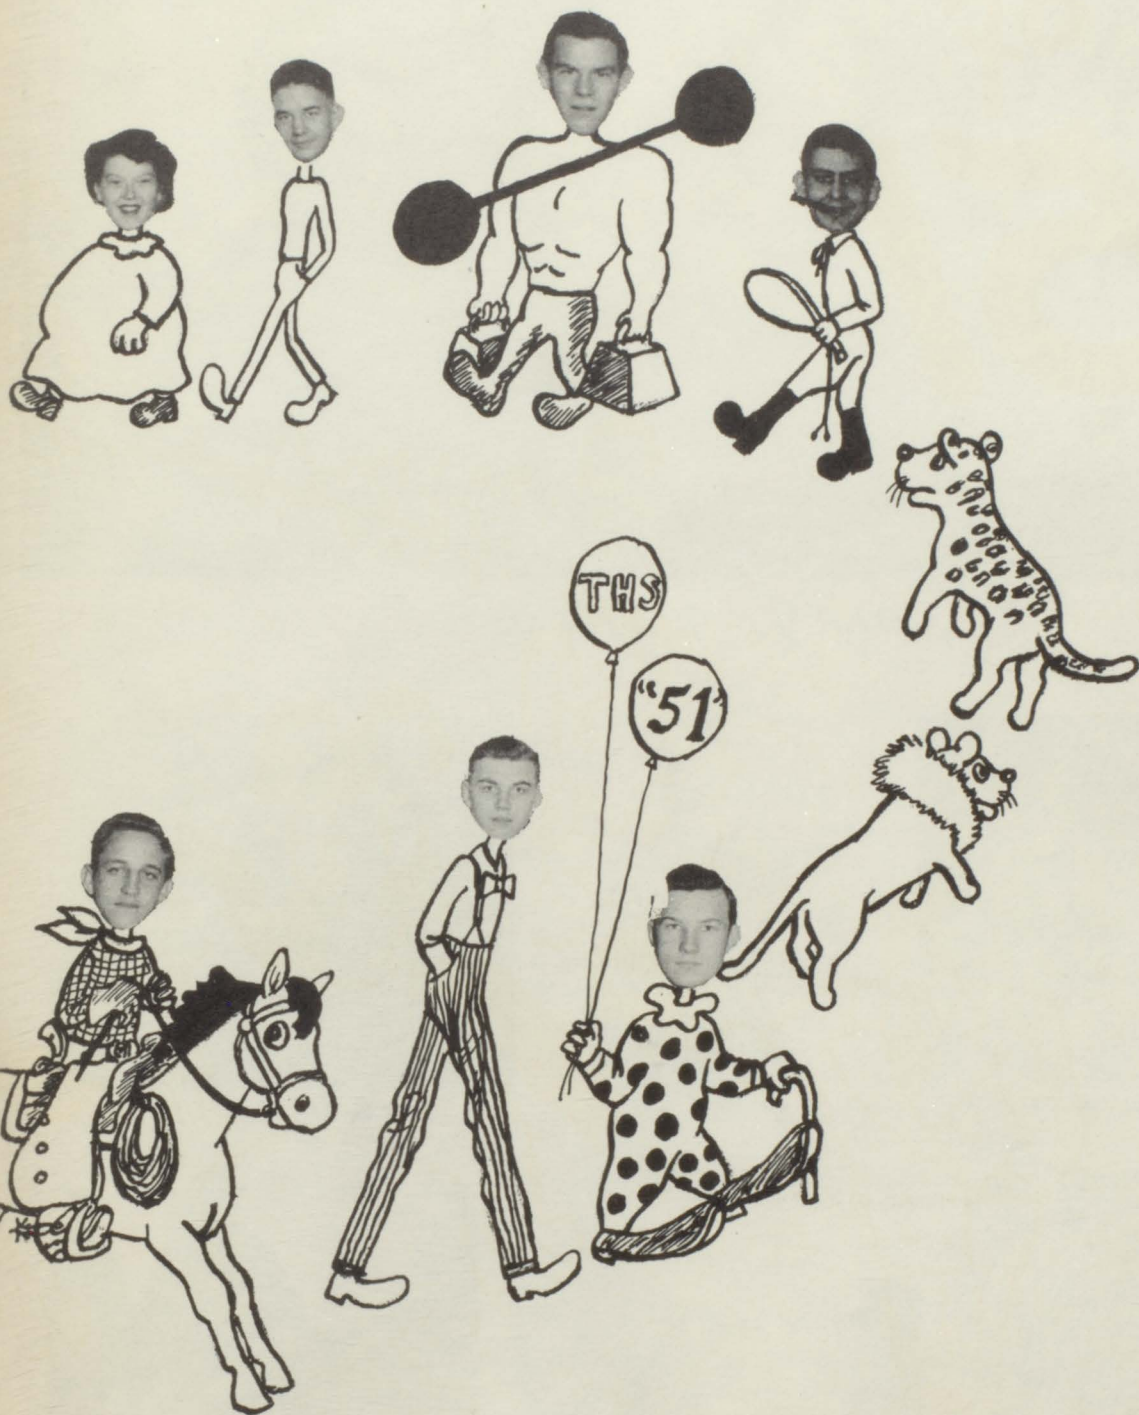

In a triumphant close, matters are straightened out, and Junior and Jeannie go off on the coveted date.

The cast of the play was as follows:

BERT ARDEN.....	JIM SLOAN
MARTHA CONROY.....	JOLENE BARRON
GEORGE CONROY.....	CAP ORR
MARJORIE CONROY.....	SHIRLEY FOSBENDER
JUNIOR CONROY.....	TOM EVERLOVE

JUNIOR-SENIOR RECEPTION

With the beautifully decorated Tecumseh Country Club as our setting, the class of '51 presented the annual Junior-Senior Reception on May 12, 1950. The affair was unique in that it was the first time in a number of years that a party given for the graduating class was held outside of the school, and no lovelier spot for it could have been chosen.

In accordance with the old-fashioned theme carried out in the programs and napkins, there were huge baskets of flowers placed around the room, and colorful centerpieces on all the tables.

After an enjoyable dinner the following program was given:

INVOCATION.....	REVEREND ALVIN BRAZEE
MASTER OF CEREMONIES	TOM EVERLOVE
JUNIORS' TOAST OF WELCOME	KENNETH SWARTS
SENIORS' TOAST OF THANKS	DAVID LOTT
INTRODUCTION OF SPEAKERS.....	TOM EVERLOVE
REMARKS.....	MR. EARL H. PLACE
TEACHERS' FAREWELL TO SENIORS.....	MR. JAMES McDOWELL

Then the floor was cleared of tables, and the rest of the evening was spent in dancing to the music of the Tecumseh Products' Orchestra.

MAY DANCE

Once again, on May 19, 1950, the Student Council sponsored the annual May Dance. The "Old South" theme, featuring a huge drawing of a Southern plantation placed at one end of the gym, provided an especially lovely background for the many-colored formals worn by the girls. Two pillars served as an entrance to the dance floor, which was completely enclosed by a white picket fence, adding to the atmosphere.

Dancing to the music of the Tecumseh Products Orchestra, everyone had an enjoyable time—an evening not soon to be forgotten.

CHRISTMAS DANCE

The Christmas Dance, one of the two big dances of the year, was held on December 15, 1950. The jubilant mood created by the victory of Tecumseh over Blissfield at the game preceding the dance dominated the whole party. The brightly lighted Christmas trees, fragrant boughs of evergreen which decorated the balcony, and the partial ceiling of tinsel added to the Christmas atmosphere. In spite of the fact that the party was not as long as usual, due to the game, the music, provided by the Tecumseh Products Orchestra, was excellent, and everyone had an enjoyable time.
