SCHOOLBOARD

The school board has been extremely busy this year making plans concerning the construction of an addition to the high school and a new elementary school. The addition to the high school will include a large, modern gymnasium and five much-needed classrooms. The new elementary school, which will be named Patterson School, will be ready for use in September. In addition to seven classrooms, it will include a library and gymnasium. The cost of both the addition and the elementary building will be approximately \$760,000.

VALEDICTORY

Marian Titley

We who are graduating in this year of 1953 are fortunate enough to be able to begin our life careers in a nation which believes in and upholds the principles of democracy, free enterprise, and the supreme worth of the individual citizen. We have unlimited opportunities to succeed in whatever field of endeavor we choose to undertake—opportunities which were created for us out of toil, hardship, sacrifice, and even bloodshed. The least we can do to help repay our debt of gratitude is to take advantage of these opportunities, to become responsible American citizens, and to help to secure the same opportunities for others.

The tired, war-torn world of today needs American youth, with their love for liberty, fresh ideas, and indomitable spirit. The youth of some countries have never known the physical, mental, and spiritual freedom which we, as Americans, enjoy. They have grown up with repression, regimentation, and privation—forced to conform with and defend the doctrines of their dictator. These mentally imprisoned people are rapidly becoming a powerful, efficient machine—designed to produce world conquest and subjection. Our generation must halt this deadly mechanism before it succeeds in its mission of destruction.

But, while occupied with resisting Communism abroad and securing freedom for others, we must be alert and watchful here at home for any subversive influence which would seek to annihilate our own freedom. We can best insure the continuation of an efficient, democratic system of government by exercising at every opportunity our hard-won right to vote, and by taking an active, instead of passive, interest in governmental affairs.

During the past twelve years, our parents and teachers have endeavored to provide us with a strong mental, moral, and spiritual foundation upon which to build the future. The challenge is great, the task exacting, the reward—peace, brotherhood, and understanding. The education which we have acquired will prove valuable in helping us to build a peaceful, prosperous future and to achieve success in life, for we believe that "Knowledge Itself is Power".

SALUTATORY

Irma Brollier

For the entire class of 1953, I would like to welcome you parents, teachers, and friends to one of the most important nights of our lives. We wish to express to you our sincere gratefulness for your untiring efforts and assistance during the first chapter of our lives. By comparing it with a book, I should like to tell you of our life at school.

The color and attractiveness of a book's cover can be compared with the attractive force which created in us an eagerness to learn and to build our knowledge.

Just as every book must have a specific purpose, such as entertainment, character study, or the creation of a mood, so school, also, must have a purpose—which has been our desire for a full, well-rounded education to be a foundation for gaining success in the future.

Joys and conflicts are intermingled throughout any story. Conflicts are present, also, in school life. The anxiety during athletic competition and the difficulties in meeting classroom responsibilities have formed a major portion of our struggles.

The plot of our school life is just as important as the plot of a book. All the experiences and events of the school days which we are leaving behind have made up our plot. Your guidance and understanding are found to be continually appearing in this plot.

As the action is completed and the purpose is fulfilled, the ending of a book is reached, which may be either comedy or tragedy. Our book combines both. Having worked hard and learned much, we are now at the ending of our school life. Graduation is a happy occasion as we think of our school work being finished and of the new life ahead of us; it is also a sad moment, because of the thoughts of leaving our classmates and friends and of the breaking up our our class.

As we leave tonight, soon to begin college days, to acquire an occupation, or to experience military service, we must face intolerance and misunderstanding of races and creeds, confusion caused by wars, and corruption of government and of thinking. We shall have many problems to solve. But the knowledge and background of American beliefs and ideals, which you have given us, will help us to make our futures successful and prosperous.

PRESIDENT'S ADDRESS

JACK BETZOLDT

CLASSMATES and FRIENDS:

In these last years of high school we have taken the first few steps toward becoming responsible American citizens, and we are now about to enter a highly competitive race toward success, whether we are entering college or going into our chosen professions. The past twelve years represent a foundation on which to build the success or failure that we shall make of our lives.

The condition of conflicts and strife that exists in the world causes young men of today to look into the future with uncertainty. They have facing them the problem of whether they should fulfill their obligation to their country in the armed services or fulfill the obligation to themselves by furthering their education. We can not let these conditions of tension and unrest in the world be excuses to justify failure, but rather challenges for us to succeed; and we must remember that only by joining our efforts with the present generation and by using the exuberance and optimism of youth can we ever hope for a better tomorrow.

Now at last we have a chance to exercise our own initiative and forethought, a chance to use to the fullest extent our education in order to become better American citizens and thus in part repay the debt we owe to the world and to the people who have helped us through the years.

In conclusion I would like to express my sincere thanks to the class of 1953 for the honor of being your president during this important year. I wish to express my thanks to you for your co-operation and untiring efforts throughout the year, and on behalf of the class I wish to express our appreciation to our counselors for their effort and guidance. Now may I wish each and every one of you a full measure of the success to which you are entitled. Thank you.

SENIOR CLASS HISTORY

Merlyn Wagner, Richard Young

In the year 1849, in this great land of ours, men of many different occupations formed a wagon train and headed west in quest of wealth. This wealth was in the form of gold. A century later, 1949, a group of Freshmen met at Tecumseh High School and formed a wagon train. We bravely set forth to conquer the challenge which we found facing us in our quest for wealth. This wealth was in the form of knowledge.

We have found our trip to be exciting, enjoyable and constantly filled with new experiences. It is with much regret that we now realize the fact that the trip is nearly over.

In the fall of 1949, as we started out, our caravan was eighty-six strong. We Freshmen held a campfire meeting early in September and elected Florine Schultz to lead us that first year. Diane Dillon was her helper, and Shirley Van Hook was selected as keeper of the class diary. In charge of our finances was Joan Pfau. Melvin Boltz, Irma Broilier, and Margaret Touborg were charged with the responsibility of coordinating our social activities with those of neighboring wagon trains. As guides we were fortunate in having Mrs. Clark and Mr. Neal Brazee.

Along the trail of T.H.S. we encountered many activities, such as the Christmas Dance and the May Party. The colorful homecoming festivities soon gave way to the biannual carnival. Our concessions at this carnival included a silhouette stand operated by Orindale Murphy, a refreshment stand, and a duck ring toss.

Following the carnival, the boys relaxed as the girls waited on them during Sponge Week. We shall never forget the experiences we enjoyed the first year on the trail.

The second year there were eighty-two members in our band. Bill Beardsley climbed into the driver's seat of the lead wagon, and Melvin Boltz was his assistant. Irma Broilier assumed the duty of keeping the diary and Joan Pfau continued looking after our growing treasury. Bob Binns, Merlyn Wagner, and Sally Rentschler were our representatives to the joint meetings held with other wagon trains. Our guides for this year were Miss Hanchon and Mr. Murdoch. We were now familiar with the hazards of the trail, and therefore we eagerly looked forward to the coming events. Besides the usual activities, our class sponsored numerous bake sales and two skating parties. In December our class rings arrived. We were very happy because we were the first class in Tecumseh to purchase rings in the Sophomore year. After our Christmas Party, the next big event was the May Dance. Shirley Van Hook and Jack Betzoldt were our representatives to the Royal Court at the May Dance. This completed the year's activities.

By our Junior year we had survived the hardships of the trail thus far, and we began to feel confident that we would safely reach our goal. We chose as our wagon master Tom Naser, who was assisted by Jim Fielder. Irma Broilier and Joan Pfau continued their positions as secretary and treasurer, respectively. Our representatives to the Council were Marian Titley, Melvin Boltz, and Merlyn Wagner. Mr. Murdoch assumed the individual responsibility of guiding us this year. We now began to think about the activities which our class must soon sponsor, such as the Junior-Senior Reception. Therefore, we participated in many money making projects—paper drives, the sale of baked goods, magazines, school sweatshirts and stationery. The concessions which we operated at the carnival this year included a refreshment stand, archery range, a fun house and a dart stand, all of which were successful. Later in the season our class presented "Footloose", a three-act comedy. Seniors and Juniors alike enjoyed the picturesque setting of the Country Club for the traditional Junior-Senior Reception. The formal May Dance concluded another busy year.

In this, our Senior year, our activities along the trail have increased rapidly. Sixty-nine Seniors started the year by electing Jack Betzoldt head engineer. John Deming was his right-hand man. Joan Pfau and Irma Broilier were once again re-elected to the offices of treasurer and secretary. Melvin Boltz, Marian Titley, and Bob Binns ably represented us on the Council. In addition, the Seniors had a fourth member on the Council, Merlyn Wagner, who served as President. Mrs. Macbeth became our adviser.

We soon began preparing for our Senior trip by repeating most of the money-making activities of our Junior year. In addition we sold pencils, Christmas cards, ribbon and all-occasion cards. Our Senior play, "The Man Who Came to Dinner", was a credit to our class.

Later, we participated in the Homecoming activities and attended the Christmas Dance. Again this year the girls entertained the boys during Sponge Week. In May, we embarked on our Senior trip to New York City for five joyful days. We saw the sights of the big city, including the great White Way. We returned, tired but still excited, to find ourselves nearing the end of the trail of T. H. S. Then came the lovely Junior-Senior Reception, at which the Seniors were unusually quiet.

Our Baccalaureate exercises are now in the past. As we reflect, on this Class night, that Commencement is but a few hours away, we now solemnly realize that our journey is over, and that we have reached our goal. Just at "Knowledge itself is Power," so knowledge is also wealth. We shall sincerely strive in the future to use this wealth for the good of all.

CLASS SONG

(Tune: "The Caisson Song")

Diane Dillon

Over hill, over dale,
As we hit the future's trail
Will these Seniors go marching along.
Thru the joys, thru the tears,
As we meet the coming years
Will these Seniors go marching along.

Chorus:
And it's Hi Hi He
For the class of '53—
We will shout out our numbers loud and strong
And where e'er we go
You will always know
That these Seniors go marching along.

We've had fun, we've been gay,
And with pride will always say
That Tecumseh has helped us along.
Thru the books, thru the games,
Our school spirit true remains;
In our thoughts we will follow along.

We will strive in time to do,
All that's good — successful, too
As we Seniors go marching along.
Now farewell, our best to you,
As we bid you fond adieu
For these Seniors go marching along.

CLASS POEM

Jeane Conlin

Precious mem'ries of the year of '49
Will linger with us throughout our time.
Just budding young Freshmen we were then,
Admiringly envious of upperclassmen.
For the first few days we gave our all
To finding our way through the strange, new halls.

The following summer we well remember,
As we anxiously waited the coming September.
We started the journey of our Sophomore year
Awed by the mysteries of French and Shakespeare;
And another event this nine months brings—
To remember our school we had gold class rings.

Now we are Juniors—effervescent youth.
It seems that as Freshmen we were rather uncouth.
For we are approaching with impatient yen
The target we've aimed for—we're upperclassmen.
Another fond mem'ry from a large collection,
Came May, time for the Seniors' reception.

We are proud, honored Seniors in our long grey gowns
And the caps on our heads feel as grand as crowns;
For in our own eyes we are ten feet tall,
And it's now our turn to carry the ball.
It will seem strange and different, leaving this school.
We'll miss all our friends — yes, even rules.

After years of work, which were mixed with fun,
We find life's journey just begun;
So here we go on the open trail
To do our best; we shall not fail.
And may we once more affirm, in this last hour,
We believe that "Knowledge Itself is Power."

FOOTBALL

With the opening of the 1952 football season, Coach Lawson started his first year of coaching in Tecumseh as head football coach, with Mr. Murdoch as assistant coach.

The team opened the season at Monroe Catholic Central and dropped their first Southeastern League game by a 26 to 6 margin.

After an open date, the Indians met Hudson in a non-league tilt and were defeated 14 to 9 when Hudson scored twice in the final period.

Next, Tecumseh played by far their best game of the season against the Morenci Bulldogs. The Indians came out on the short end of a 19 to 14 score when Morenci scored late in the fourth quarter. Morenci knew that they had been in a battle, because the Indians were really 'up' for the contest. The blocking and tackling of the team was very good, but the defeat was costly, as several key players were injured in the contest.

The next game was at Bedford, where the Indians suffered a humiliating 59 to 7 defeat.

Our team lost their third and last conference game when Hillsdale defeated them here, 26 to 13.

The rest of the season was one of defeats, as Clinton won in the dying seconds of the game, 20 to 13; Addison won, 14 to 6; and Blissfield administered a 26 to 6 defeat.

Injuries to several key players hampered the Indians, but many underclassmen were able to gain some valuable game experience, which may make them of greater value to the team next year.

The following Seniors received Varsity Letters:

Captain Bob Binns—Playing his first year as a regular, he was very valuable, as he was used in many different positions, both on the line and in the backfield and also did most of the kicking. Bob has won three Varsity football letters.

Lynn Hunt—The other three-year man on the squad and a hard driving fullback on offense and linebacker on defense.

Jack Greenwald—A glue-fingered end who played well on both offense and defense until injured midway in the season.

Bill Beardsley—Another "Jack of all trades" who did a good job on both offense and defense until injured.

Melvin Boltz—A tackle used mostly on offense, but able to play defense when called upon.

Jack Betzoldt—Playing any position in the backfield on either offense or defense.

Jim Stutesman—A first year letter-winner, but one of the hardest workers on the squad, both on offense and defense from his guard position.

Bill Starkey—A hard-hitting guard, who played regularly until injured early in the season.

Underclassmen who were awarded Varsity Letters were:

Tom Baldwin—A small but rugged guard, used mostly on defense.

Bill Benham—At his best, a triple-threat back in the open field. Bill played both offense and defense until injured, and led the team in scoring.

Bob Benham—(Known to the players as "little Benham"). Played mostly on defense and was one of two freshmen to letter.

Jim Bowser—A Sophomore end, used both on offense and defense.

Roger Butler—A hard-charging tackle, used on both offense and defense.

Albert Hart—A halfback on both offense and defense, who also did a good job punting.

Doug Hooton—An end, used on both offense and defense.

Carl Henkel—One of the offensive centers and a back on defense.

Alroy Vanderpool—An offensive quarterback until injured early in season. Played mostly defense after recuperating.

Marvin Yoakum—Played in the line of offense and as line-backer on defense.

The following Varsity team members did not participate in enough games to receive a Varsity award, but were given Reserve Letters:

Leroy Betzoldt

Bill Browne

Bill Dean

Ed Lewis

Max McLaury

VARSIITY BASKETBALL

The 1952-1953 basketball season was a great one for Tecumseh. The Indians, composed of a well-balanced and well-organized outfit, captured their league crown for the third consecutive year. Many doubted the power of the Indians during the early stages of the season, for Tecumseh, with only four returning lettermen, was up against tough teams and a tough brand of ball in their newly organized Southeastern Michigan Conference "Class B" League. But our school, under the guidance of our new coach, Vic Lawson, surprised all pessimists by not only winning the League title with a 6-0 record, but also turning in an overall season's record of 15 wins and 1 loss.

The Indians opened their campaign with a non-league battle against Addison. Tecumseh, after having a sizable lead throughout most of the game, had to turn on the power in the last quarter to stop a stubborn Addison five, 56-50.

The following week the Indians were host to Hillsdale, a top contender for the Southeastern Conference title. In a real thriller, we nosed out the Hornets, 38-34.

Later in the same week the Bulldogs of Morenci invaded Tecumseh. Fired up after two consecutive victories, the Lawson men rolled over Morenci, 67-50.

When the Indians met Clinton only four days later, they figured this game to be a breather. The Redskins, however, surprised our boys, who had to come from behind in the fourth quarter to slip past them, 49-41.

After a two-and-a-half week lay-off for Christmas vacation, the Indians met another league opponent in Monroe Catholic Central, silencing them in a low scoring contest, 39-23. Hudson was next to fall to the powerful Indians, 58-33. This made it six straight for our boys.

Blissfield was the Tecumsehites' biggest test. Both teams led their respective leagues at this point in the season. But Tecumseh proved to be the superior of the two and gave the Sugarboys a 61-44 drubbing. Tecumseh's eighth straight victim was a Bedford five. The

Indians had no easy time in this conference game, but managed to register a 32-25 victory.

In the final week of January, T.H.S. ran into two of their toughest opponents as the second round of the season began. Nevertheless, they won numbers nine and ten. Addison fell, 55-33, and then Hillsdale, 53-45, in a thriller.

The Indians finally had a bad night when they met Morenci on Morenci's court. The Bulldogs led all the way as they set back our boys, 60-51, for their only defeat of the season.

After this defeat, Tecumseh settled down and went on to win their remaining five games. Clinton fell, 68-51, in a game which saw Tecumseh forward Jim Wilson score 33 points for a new individual scoring record in the T.H.S. gym. Lawson's cagers had even an easier time against Hudson and Blissfield. The Indians rolled over them by respective scores of 64-48 and 63-45.

The last week of the season found Tecumseh up against two tough league opponents. They had no easy time with Monroe Catholic Central, but managed to edge them, 52-43. Then the T.H.S. cagers traveled to Lambertville. There they met the Bedford Mules, and racked up their fifteenth win by drubbing them, 83-62, ending a very successful season.

In the Class B District Tournament, which was held at Adrian, Tecumseh gained a berth in the finals by edging out Hillsdale in an overtime period, the final score being 41-37. The game was highlighted by a miraculous sixty-five foot field goal by Indian forward Jim Wilson, which tied the game in the final two seconds of play. The following night Tecumseh lost the District Tournament crown to Adrian in a game which ended 39-27.

The 1953 season brought various honors to many of our players. Jim Wilson was one of three players from Lenawee County to be given Honorable Mention on the Detroit Free Press All-State team. Two of our boys,

Jack Greenwald, and Jim Wilson, received positions on the All-Southeastern Michigan Conference League first team, and Bill Benham, Bob Binns, and Wayne Patton were named on the second team. Bill Benham was chosen on the All-Tournament Class B team at the District Tournament.

Five Seniors and two Juniors received Varsity letters. The Seniors were Bob Binns, Mel Boltz, Jack Greenwald, Wayne Patton and Jim Wilson, and the Juniors were Bill Benham and Al Hart. Reserve letters were awarded to Tom Baldwin, Jerry Barron, Jack Betzoldt, Doug Hooton, and Al Vanderpool.

The Reserve Team, under the able supervision of Coach Murdoch, had a fair season, losing a number of close games. They managed to win only four games, while losing twelve. Nevertheless, they progressed greatly through-out the season, and there are quite a number of likely Varsity prospects for next year.

BASEBALL

Since 1952 was Tecumseh High's last year in the L.C.A.A., the Indians were especially anxious to win their fifth straight baseball championship since 1948. And with the return of six first-team lettermen of the previous year, our prospects looked bright.

However, the team, coached by Mr. Duvall, got off to a fairly bad start. In their first five games, they won only two while losing three. Tecumseh finished the season with a win over Morenci, followed by a loss to Summerfield. But a record of three wins and four losses was not good enough to win another championship.

There were six Seniors on the '52 team who will really be missed this year—John Sisson, Jim Breitenwischer, Fred Long, and George Ruhl, for their wonderful hitting and fielding, along with Bob Kruger and Larry Hart, an invincible pitcher and catcher, respectively. Nevertheless, Tecumseh's chances in the new league should be fairly good, as quite a few veteran players will return.

The following boys were letter winners:

Jerry Barron
 Jack Betzoldt
 Bob Kruger
 John Sisson
 Jim Breitenwischer
 Bill Benham
 Fred Long

George Ruhl
 Lynn Hunt
 Larry Hart
 Jack Greenwald

TRACK

The 1952 track team was much improved over that of 1951. Of its four scheduled meets, Tecumseh won two, took second and third places in two triangular meets, and also placed fourth in the L.C.A.A. County Meet.

Tecumseh had an unusually well-balanced team, and the entire team and their coach, Mr. Lester Runk, are to be congratulated on a very successful season.

In its first meet, a triangular meet with Bedford and Hillsdale, we didn't make too good a showing. Bedford won the meet easily with 67½ points. Hillsdale and Tecumseh had 24 and 23½ points respectively. Bob Marsh led the Tecumseh scoring with 13 points.

In its second scheduled meet, another triangular meet, Tecumseh met two league opponents, Blissfield and Clinton. Blissfield won the meet with a decisive 87½ points. Tecumseh was second with 32½ points, while Clinton had but 17. Tecumseh's Jack Betzoldt placed first in the mile run, and Bill Benham won the broad jump.

Tecumseh placed fourth in the L.C.A.A. County Track Meet held at Adrian. Six teams were entered. Even though the weather was bad, Blissfield had an easy time winning the meet. Bill Benham and Jack Betzoldt scored first places for Tecumseh. The medley relay team also took a first.

We next met Hillsdale in a dual meet and won a close victory, 57½ to 51½. Tecumseh scored seven first places, three of which were accounted for by Bob Marsh. The others were won by Jack Betzoldt, Bill Beardsley, Bill Benham, and the medley relay team.

The track team closed the season by very decisively upsetting Morenci, who had placed second in the County Meet. Bob Marsh again scored three first places, and Jack Betzoldt won the mile. Jack was undefeated in this event throughout the season.

Tecumseh's top scorers in the 1952 campaign were Bob Marsh with 49 points, Jack Betzoldt with 32 points, and Bill Benham with 28 points.

Letters were awarded to the following boys:

Bob Marsh	Al Vanderpool
Jack Betzoldt	Albert Hart
Jack Greenwald	Bill Benham
George Rdhl	Bill Dean
Larry Hart	Tom Baldwin
Bill Beardsley	Pete Rhein, Manager
LeRoy Betzoldt	

Mr. Murdoch, Doug Hooton, Kirk Smith, Jim Wilson, Bruce Packard, Bob Hall, Louis Vargo.

GOLF

The newly-organized Tecumseh High School golf team had a better-than-average season in 1952. Under the expert guidance of their coach, Mr. Murdoch, the team won three matches while losing three. In the Regional Class B Tournament at Ann Arbor, it placed fourth in a field of nine teams, earning itself a berth in the State Championship Tournament, which was held at Midland, Michigan. This tournament produced much stronger competition than our team was accustomed to, and it failed to place. However, the team is to be congratulated on its fine season.

One of the strong points of the 1952 team was its youth. Bob Hall is the only member lost to the team in 1953. Kirk Smith and Jim Wilson, two of the team's top men, have another year left, and Doug Hooton, Louis Vargo, and Bruce Packard have two more years in which to play on the team.

The main activities of this year's Student Council were the four big dances—the Homecoming Dance, the Christmas Party, the Sponge Dance, and the May Party. Those dances have required much planning and hard work on the part of the Student Council members and their adviser, Mr. Schwartz.

In addition to the dances, the Student Council was responsible for carrying out the activities of Sponge Week (Gum-chewing Day, Old Clothes Day, Dress-up Day, Student-Teacher Day) and Homecoming Week, marked by a parade by the student body with floats made by the classes, and the queen to reign over the festivities.

On October 29, the Council attended the Michigan High School Conference on Citizenship at the University of Michigan at Ann Arbor.

The Council members acted as ushers and receptionists at the P.T.A. Teachers' Reception. Operating the hat-check stand during the basketball season and selling programs during both football and basketball seasons were two additional Student Council projects.

DEBATE

This year found only two students with any previous debating experience on the T.H.S. debate teams. However, these two (both Seniors) generously lent their mental and moral aid to the newcomers. The results of their help will show more in the future than this year.

The topic for debate this year was "RESOLVED: That the Atlantic Pack nations form a federal union".

The Tecumseh affirmative team, which won two and lost two of their meets, was composed of Janet Bashore and Gretta Porter.

Carl Henkel was first negative and Merlyn Wagner, second negative, in the meets with Adrian, Allen Park and Romulus, and Ducie Bowen became first negative in the fourth meet at Melvindale. The negative team won one debate and lost three.

Nancy Kinietz and Marilou Burleson varied their activities as time-keepers and program chairmen.

The Tecumseh Chapter of Future Farmers of America started the year's activities by initiating twenty-two boys into the Green Hand Degree. One of their first projects was the judging of livestock at the County Fair. Then the twelfth annual Parent and Son Banquet was held, which was enjoyed by one hundred persons. After the F.F.A. Christmas Party, rural and urban areas were canvassed for the C.R.O.P. drive. Contestants in the Parliamentary Procedure, Public Speaking and Demonstration contests added further prestige to the Tecumseh F.F.A.

Attending Farmer's Week at Michigan State College, entering the chapter broiler project in the Chicken-of-Tomorrow contest, completing the popcorn project, and continuing the Pig Chain project were a few of the activities engaged in this year. The Future Farmers completed the year by electing new officers, who will attend another Regional Leadership Training Camp this summer.

The second year of the Future Nurses' Club has shown a gain of nine new members over last year. Two of last year's group went into nurses' training after they graduated, and two of this year's Seniors plan to do the same.

The Club has had three field trips so far this year—to Ann Arbor, to Detroit and to Herrick Memorial Hospital. Many of the activities of the Future Nurses' Club consist of projects to aid people in nursing homes. The club is guided by three leaders: Mrs. Sisson represents the school, Mrs. Kinietz represents nursing and the Hospital Auxiliary, and Miss Walton represents nursing.

JUNIOR PLAY

A very successful play was presented by the class of 1953 on April 3 and 4, 1952. Since we were Juniors, this was our first attempt at acting. The play, a three-act comedy entitled "Foot-Loose", was very ably directed by Mrs. Macbeth. The story concerns the exploits of the Earlys, a supposedly "average American family", during the absence of their parents, who are on a three-months' world cruise. The children manage to get into various difficulties. Dick Early, a student in "Med." school, marries Jenny Malloy, even though he knows that his parents would object, had they been home. His brother Bob buys a car and gets involved in an accident in which he smashes the car of a wealthy widow. One of the daughters, Hope, hires a lawyer to take care of everything, and then promptly falls in love with him. When their mother and father return, the young people break some of the more serious news immediately, and hope that their parents will never hear the rest!

SENIOR PLAY

The class of 1953 again presented a most successful play, in fact, the first Broadway play to be presented at T. H. S. for many years. The play was "The Man Who Came to Dinner", a three-act comedy written by the famous Hart-Kaufman team, and directed by Mrs. Macbeth.

The story of the play is as follows: Sheridan Whiteside, a world famous author, broke his leg on the icy steps of the Stanley residence. He and his patient secretary, Maggie, invade the Stanley home with visits from Chinese students, convicts, cockroaches, etc.

Trouble began when Maggie fell in love with Bert Jefferson, a newspaperman. Whiteside sent for Lorraine Sheldon, an emotional actress, to help break up the romance.

Whiteside encouraged Dick and June Stanley to run away from home, which of course didn't please their parents! When Lorraine and Bert were about to go away to work on Bert's play, Maggie was so unhappy that Whiteside and his friend Banjo locked Lorraine in a mummy case, which was a Christmas gift from the Khedive of Egypt.

Mr. Stanley got rid of the case for Whiteside when the latter threatened to reveal to the public that Stanley's sister was the notorious hatchet murderess who had killed her parents twenty years before.

The play ended uproariously when Whiteside, having been ordered to leave the Stanley house, fell a second time and broke his leg again!

JUNIOR - SENIOR RECEPTION

On the evening of May 9, 1952 the annual Junior-Senior reception was given to the Seniors by the class of '53.

The setting was a May-time theme, centered around the senior flower, the yellow rose, which was used as a main decoration. The Tecumseh Country Club again provided an attractive background.

After a three course dinner the following program was presented:

Invocation.....	Reverend Alvin Brazee
Toastmaster.....	Jerry Barron
Welcome.....	Tom Naser, Jr. Pres.
Response.....	Janet Erhart, Sr. Pres.
Solo, "Memories".....	Florine Schultz
Remarks.....	Mr. Hart
Remarks.....	Mr. McDowell
Benediction.....	Reverend Alvin Brazee

Following the program, a dance was held, with the Tecumseh Chieftans Orchestra furnishing the music. This was the conclusion of an evening that held memories for all of those who attended.

MAY DANCE

Over one hundred high school students, faculty members, and guests attended the formal May Dance, on May 17, 1952. The music for dancing was furnished by Drexel Lamb and his orchestra.

The gym was decorated to represent a ship, and a false ceiling of crepe paper served as a covering over the heads of the dancers.

At midnight Bill Benham and Joan Pafford, both Sophomores, were crowned King and Queen of the May Dance, and were presented with gifts by Beverly McLaury, President of the Student Council. The members of their royal court were Virginia Gregory and Myron La Veck, Seniors; Florine Schultz and Tom Naser, Juniors; Jane Smith and Le Roy Betzoldt, Freshmen.

Refreshments were served by other members of the Council during intermission.

Everyone who attended the party will keep a special place in his memory for this very enjoyable evening.

HOMECOMING

A big parade including floats made by the various classes, the band, faculty members, students marching, and horse-back riders opened the Homecoming Day festivities on October 24.

The queen reigning over the events was Doris Tressler, and her royal court consisted of Nancy Treby, Diane Woodward, and Sherry Moore. During half-time of the football game played with Hillsdale, another parade was held. The Sophomore Class was given a fifteen dollar prize for the best float, and the queen was presented with a beautiful bouquet of roses. Then at the dance, which followed the game, Doris was formally proclaimed queen and was crowned by Merlyn Wagner, President of the Student Council.

Everyone enjoyed the gala festivities and the excitement which accompanied them.

CHRISTMAS DANCE

The gym of the Central school was beautifully decorated for the Christmas Dance of December 19, 1952. Snowflakes and Christmas decorations hung from the ceiling, and in each corner there was a Christmas tree. In the center of the floor stood a very big tree sparkling with colored lights.

The music, from nine to one o'clock, was furnished by the Tecumseh Chieftans. Everyone enjoyed dancing to the appropriate Christmas pieces.

Refreshments were in charge of the Student Council, whose members took turns serving the dancers.

T.H.S. CARNIVAL

A large crowd packed the gym on March 21, 1952, to attend a gala event, the THS carnival. In the noise and confusion, one could distinguish shrieks coming from the mysterious fun house, and gales of laughter from all other parts of the gym.

Among the many concessions were the basketball throw, the shooting gallery, an archery range, and a dart game in which water-filled balloons soaked the person sitting beneath them. There were the ever-popular fun house and a new idea, the marriage booth, which proved very exciting. Who could resist the tempting refreshments; hot dogs, peanuts, popcorn, candy apples, pop, fudge, malted milks, and even baked goods?

A puppet show, a freak show, and a fashion show proved to be very entertaining, and a talent show, sponsored by the Student Council, revealed that Tecumseh has some very talented performers.

Climaxing the evening, the crowning of Queen Shirley Van Hook and King Jim Breitenwischer took place at 11:15, after which a twenty-five dollar bond was given away as a door prize.
