Valedictorian

MARY LOU McCONNELL

VALEDICTORY

Tonight, we, the Class of 1959, have reached the end of an important phase of our lives. For the past thirteen years we have lived in a protected world created by our parents, teachers, and friends. We have built our own society with our own customs and rules. Now we must leave this sheltered world and endeavor to become a useful part of a large, more complicated world. Whether we get jobs or continue our formal education, we must realize that we have a great responsibility to our community, our state, and our nation. Instead of standing by and watching others run our government, our factories, our farms, and our business, it will be our class, and thousands of other graduating classes throughout the country, that must soon take over these tasks. How well we perform these duties is determined only by our abilities and desires. If they are to be well-done, we must undertake them willingly and enthusiastically. For the past thirteen years we have been preparing for this undertaking. Our teachers and parents have given us the knowledge

and ability to at least make a beginning. We have not always learned willingly, but none of us has escaped without learning something beneficial. Our training has not only included such things as languages, mathematics, sciences, history, and skills, but it has given us an even greater experience in learning how to get along with other people. The experience of living in a society of our own making will prove invaluable to us in the future, for it will be a foundation on which to build knowledge of ourselves and of those around us. We have all set a goal, as many different ones as there are members of this class. Let us hope that in the methods which we use to reach these goals, we shall reflect honor on our past and set an example for the future. The success of our past is due, in great part, to our parents, our teachers, and our friends, but the success of our future lies within ourselves. Let us all strive to live our lives to the utmost for ourselves, for others, for our country, and for our God. Thank you and good-night.

Salutatorian

NANCY DAY

SALUTATORY

We, the class of 1959, salute you!

Tonight our first real ambition, graduation, is realized. This achievement has been brought about principally through the guidance of our parents, who instilled in us the fundamentals of American living; our teachers, who patiently supplemented these basic facts and ideas; and our friends, who freely offered their kind encouragement and advice.

What we have accomplished thus far is much like the foundation structure of our lives and forms the cornerstone of our characters. We look on into the future with new hopes, new ideals. Whether or not these also will materialize, depends upon us. No longer can we rely so much on our parents and teachers. We must now be independent and make our own decisions.

Being young, an optimistic view of the future comes naturally to us. We are eager to take advantage of the many opportunities of-

fered in free America. Because we are citizens of this great country, we may proceed with confidence and pride.

We have learned the value of knowledge, and whether we enter college or go directly to the activities of life itself for our next teacher, we shall always strive to learn. We have found also that such things as brotherhood, understanding, sympathy, friendship, and faith in God are equally essential in our lives, for without these, bare knowledge is nothing.

Let this be our thanks to you: the promise to accept the responsibilities and preserve the rights bestowed only in a democracy, and to appreciate the privilege of being able to take part in the governing of our country. As we leave tonight, we are fully aware of your hopes that accompany us in thought, and with God's protection and guidance, we shall try to transform these hopes into reality.

Classmates and Friends:

We are assembled here tonight at the last meeting before graduation of the Class of 1959. Undoubtedly most of us are recalling many things that have happened during our school days. Each of these incidents make us realize that throughout these past four years we have been trained to become the leaders of tomorrow. Take our Senior year, for example: three of us held offices on the Student Council, while others held offices and chairmanships in many clubs and organizations in the school; Seniors were captains of various athletic teams; Seniors also won such honors as the D.A.R. Good Citizenship Award and the Homemaker of Tomorrow Award. Each of these, together with similar responsibilities and honors in previous years, have combined to shape us into future leaders. Since this could not have been accomplished

without the help of our parents, teachers, and friends, therefore on behalf of the Seniors, I would like to thank all of our parents for the wonderful job they have done in helping to make us the men and women that we will be tomorrow. And to Mr. Hart, Mr. Howard, Mr. Babcock, Mrs. Service, and the rest of the faculty, may I say thank you for the excellent guidance and help that you have given us these last four years.

To you, the Class of 1959, I would like to say thank you for electing me your President this year, and for the fine co-operation that you have given to the class and to its officers. As for tomorrow, whether you go on to college, give your services to your country, or are engaged in jobseeking, I would like to say good luck, and may God bless each and every one of you.

Class History

BETTIE KISER and DAVID HOLDEN

When Tecumseh High School opened its doors to welcome its returning students in the fall of 1955, there was a new addition to the group. One hundred and forty-one of the brightest-eyed, most eager Freshmen in the history of the school were there waiting to be let in. We were those Freshmen.

After the routine matters of enrollment were over, we settled down to make the most of our stay here. Under the guidance of our able adviser, Mr. Howard, we elected David Hohenstein as our president, Sandra Ross as our vice president, Donna Nixon as our secretary, and Mary Lou McConnell as our treasurer. These capable officers, along with our Student Council representatives, David Champanois, Linda Hanna, Ann Kempf, and Mike Walters, were chosen to lead our class on to great things. We were encouraged by the fact that the school elected our lovely candidate, Johanna Young, as the Homecoming Queen, and that our float, with the slogan "The Tigers are All Washed Up," won second place. In the spring, we were extremely proud when our candidates, Bonnie Isler and Mike Walters, were chosen as King and Queen of the Junior Prom. After a year of hard work to better the standings of our class and ourselves, we were glad of the chance to recuperate during the summer vacation.

When school resumed in the fall, we were back with only one hundred and twenty-five faithful "servants" to bring honor to our class. Mr. Howard again took up the duties of adviser, as we elected our class officers, John Dewey, president; Gary Elliott, vice president; Carol Spangler, secretary; and Mary Lou McConnell, treasurer. To voice our opinions in the Student Council, we chose Nancy Day, Donna Spangler, Larry Yoakum, and David Champanois. We were excited and pleased when the time arrived to order our class rings, and we awaited their arrival with great anticipation. Dressed as cowboys and cowgirls, we served our distinguished upperclassmen with pride at the Junior-Senior Reception. Then again we took a three months' rest from our studies.

As our Junior year began, once more assisted by Mr. Howard, the handling of facts and figures was turned over to our able officers: John Dewey, president; Ronald Roe, vice president; Sarah Wright, secretary; and again Mary Lou McConnell took charge of the treasury.

We also had assistance from our Student Council representatives, Greg Mason, Grace Dennis, Mike Walters, and Sandra Ross.

At Homecoming time, we were happy to take second place once more with our float "No Kick in the Bier." Most of us worked diligently during our magazine sale to earn money for the Senior trip. Our dramatics presentation, under the direction of Mr. Babcock, consisted of two very entertaining one-act plays, "He Ain't Done Right By Nell" and "Five in Judgement." These plays were enthusiastically received by the public.

This year it was the duty of our class to sponsor the Junior Prom, which was entitled "Atom's Eve." Later in the spring, we played host to the Seniors at a new type of Junior-Senior Reception—the Junior-Senior Picnic, which was held at the Tecumseh Country Club. The period for rest and vacation came and went swiftly after that.

When the school doors opened to our class of one hundred and twenty-one for the last time, we were happy to have Mr. Howard continue to guide us, as we faced the year ahead with mixed feelings of relief and reluctance. To lead us down this last path, we chose as president, Greg Mason; as vice president, David Champanois; as secretary, Sarah Wright; and for the fourth time, Mary Lou McConnell as treasurer. Our Student Council representatives were Sandra Ross, Marilyn Helzerman, Carol Spangler, Donna Roe, Charles Hartsell, David Hohenstein, and David Champanois. We were delighted when Sharon McMichael was selected as the Queen of the Homecoming festivities. Next was the Christmas dance, which we sponsored and called "Silver Bells." We were sorry to lose about ten of our Seniors, our class at this time being made up of one hundred and eleven members. To climax Sponge Week, our candidate Bill Fielder was chosen as "King of the Mardi Gras" at the Sponge Dance.

As the time drew near for departure on our Senior trip to Washington, every Senior became more noticeably eager. At last we were off! What fun we had, as we spent a very educational and interesting week visiting historic spots in our nation's capital.

The past four years have been spent in obtaining an education, taking part in many extra-curricular activities, and earning honors for our class. Baccalaureate is now over, and we are nearing the end of our stay. Tomorrow night, as we receive our diplomas, our high school career will come to an end, and the future will indeed lie within ourselves.

The Student Council, which is composed of representatives from the various classes and organizations of the school, is the governing group of our student body. Its purpose is to regulate the activities of the students by procuring entertainment and educational programs, helping to draw up routine regulations, and providing for safety in the school.

One of the accomplishments of the Student Council this year was the sponsorship of the school newspaper. Also, setting up a Senior Lounge was a major project for the year.

The Council sponsored the Homecoming Activities, the Sponge Dance, and a Student Talent Variety Show, along with other activities during the year.

The officers and a few representatives attended a regional and a state Student Council Convention last fall. From these Conventions many profitable ideas were brought back, as a result of the discussions of various school problems.

We can be quite grateful to the Student Council for having helped make our school one of which we can be proud.

Debate

TOP ROW: Mary Tilton, Jerome Kemp, Dianna Green
 BOTTOM ROW: Greg Mason, Marilou Layton, Mr. Babcock, Astride Roberts, Roger Mead

The debate question for 1958-59 was: "Resolved: That the United States should adopt the essential features of the British System of Education." The affirmative always upholds the resolution as it stands, protecting their plan and stressing the need of it. The negative attacks the standing resolution and shows that it is unnecessary and possibly harmful.

Tecumseh met debate teams from Adrian on November 24, (both wins), and Coldwater on December 17, (both losses). The scheduled debates with Marshall and Ann Arbor were not held, due to circumstances beyond anyone's control. These debates were considered byes, since there was not enough time to reschedule them.

Astride Roberts and Greg Mason, Seniors, completed their third year of debate. Greg has debated actively for the past three years. Astride was time keeper the first year and has debated actively the last two years. Marilou Layton and Roger Mead, Juniors, completed their second year. Marilou has debated actively for two years, and Roger was time-keeper his first year and debated this year. Marilou and

Greg defended the affirmative, while Astride and Roger proposed the negative plan.

Mary Tilton and Diane Greem were timers. Other new members this year were: Helen Miller, Dale Tuckey, and Jerome Kemp. The debate team has been under the direction of Mr. John Babcock for the past three years.

Any student in grades nine through twelve, who can think, read critically, and evaluate quickly, is eligible for our debate teams. One learns poise, correct speaking techniques, and the construction of speeches. Thus debate is a valuable activity.

Just a few more words.

Under the direction of Mr. Don Johnson, and Drum Major John Perry, the Tecumseh High School Band presented a series of fine shows during halftime at the football games. The Band also traveled to Temperance to play for the Bedford game. Along with 190 other bands, they had the honor of taking part in the University of Michigan Band Day. Also during Band Day the Majorettes were members of the largest twirling exhibition in the world. At the Annual Lenawee County Band Festival, our band, presenting "America the Beautiful," portrayed the high-light of the evening, with the Statue of Liberty.

The Pep Band provided a musical background for all pep meetings and basketball games.

This year the Band, together with the Junior High Band, presented a Christmas Program. Also, for the first time, our Band entered a District Festival (Contest) last winter.

Some of the main activities in the spring were the Annual Spring Concert, the All-County Band Concert, and the Memorial Day Parade.

The Tecumseh High School Chorus, under the capable direction of Mr. Bennett, has progressed rapidly this year.

Starting the year by singing for the United Fund Drive workers, the Chorus has given many musical programs. Among the several programs presented was the participation at a Victory Banquet which was held on the Adrian College campus. They also put on two enjoyable assemblies before our high school student body.

For the first time, the Chorus proudly presented "Christmas Fanfare" at the Strand Theatre. The Fanfare was one of the highlights of this school year. It provided a very enjoyable evening for those who attended.

The group went on a field trip to Ann Arbor to hear "The Messiah," which is very educational and inspiring.

This spring the Chorus went to Jackson for a District Vocal Festival. Also among the spring activities was the Spring Concert.

Since Baccalaureate and Commencement Exercises are such important events in the lives of the graduates, we are deeply grateful to the Chorus for making these occasions more memorable by their singing.

The pre-requisite for membership is to have been awarded a Tecumseh High School Varsity letter, and to be eligible to engage in sports.

The purpose of the Varsity Club is to promote sportsmanship, and to build up the prestige of sports and respect for the Varsity letter.

Each year the fellows choose from among their number the most valuable Senior athlete. The name of the one who has made the greatest contribution to Tecumseh's sports for that year is inscribed on a plaque, which is presented at the Honors Assembly on the last day of school.

The Club planned many activities this year to improve their own organization and to better our school.

The boys are to be congratulated on their fine efforts to encourage good sportsmanship.

With the help of Miss Sheffer, the Girl's Athletic Association started their yearly program by initiating sixty new members into the Club, bringing the total membership to one hundred and fifteen.

All of the members participated in the Club's variety of activities, some of which were as follows: field hockey, soccer, girls' touch football, softball, volleyball, basketball, deck tennis, track, bowling, and games.

The girls tried out their sportsmanship and athletic skills when they competed with other schools in scheduled basketball games.

The G.A.A. held its second annual Mother and Daughter Award Banquet, during which the girls receive the awards that they have earned throughout the year. This year the Club is presenting a \$50 scholarship to the most deserving Senior girl.

In the spring of 1958, the Tecumseh G.A.A. girls won, for the fourth time in four consecutive years, the Southeastern League Play Day plaque, of which we can be very proud.

Fifteen members of the "Green Hands" were initiated into "Chapter Farmer." The Tecumseh F.F.A. boys placed first in poultry judging at the Lenawee County Fair, where nineteen of our members showed thirty-four projects.

On the tenth of November the annual Parent-and-Son Banquet was given with great success, being enjoyed by all who attended. Father Collins from St. Elizabeth's Church was guest speaker of the evening.

This year the boys again farmed eighteen acres, which consisted of corn and wheat. They also had three broiler projects.

To enable our local F.F.A. to start a sheep chain, in order to help boys get started in the sheep business, the Kiwanis Club donated \$35.00 to the Club.

On their semi-annual trip, the Junior and Senior boys attended the International Livestock Show in Chicago.

The Future Homemakers' main goal is to learn to live better today in order that the homemaking pupils' lives and those of their families may be improved tomorrow. The Club also was established with the following goals: to promote a growing appreciation of the joys and satisfaction of homemaking; to emphasize the importance of worthy home membership; to work for good home and family life for all; to promote international good will; to foster the development of creative leadership in home and community life; to provide wholesome individual and group recreation; and to further interest in home economics.

With the help and guidance of their adviser, Mrs. Brown, the girls carried out many interesting programs and activities this year. Among the former were: a demonstration on ceramics, a cake-decorating demonstration, and a talk by Mrs. Saling, as guest speaker, on the topic "Our Hair." This year the girls held a banquet featuring food from different countries, and also spon-

sored the annual Mother and Daughter Banquet.

Ending this school year quite properly with a "Fashion Show," the girls proudly showed some of their achievements as Future Homemakers.

The Lois D. Service Future Teachers' Club was properly started this year by initiating their members and new adviser, Mr. Douglas Murdoch. One of the high-lights of the club was the attending, participating in, and sending of a discussion leader to Eastern Michigan's F.T.C. Workshop.

Through the Cadet Teaching Program, the members assisted the Junior High elementary teachers, and got an insight into what teaching might be like.

Through several projects, the Club provided funds for a scholarship for the most deserving Senior member.

The main purpose of the Club is to help students measure their own abilities and interests in relation to the opportunities and responsibilities in the field of teaching. It attempts to guide high quality students into the profession, aid them in the development of ideals, acquaint them with the importance of good schools, assist them in finding their own fields of interest, and follow them with interest

Junior Play

STANDING: Bill Fielder, Ken Wallace, Greg Mason, Bob O'Neill, Dave Hohenstein
SITTING: Mary Lou McConnell, Dave Rutherford, Dave Champanois, Dave Holden

The class of '59 received great approval in their Junior year for the staging of two one-act plays. Under the direction of Mr. Babcock, the plays were given on March 28 and 29, 1958.

The first play, "Five in Judgment," is a stirring and thrilling drama by Douglas Taylor. The plot centers around a scene in a roadside diner in the midwest farm belt, during a sandstorm. Sally, a pretty young girl, and Bill, a sturdy farm hand, are waiting on table. Paul and his son Roy are also in the Paradise diner when a salesman comes in; and later two young men, Danny and Mack, come in from the storm. When a report about the murder of a young girl (known by all except the salesman and the two young men) comes over the radio, the description of the men last seen with the girl fits the appearance of Danny and Mack. There is a fight in the diner, and Mack and Danny are tied up, because it is believed that they murdered the girl. Bill and Roy are roughing up Mack and Danny as Jack Haines, a young farm hand, enters.

Sally, who has found the sheriff, brings word that the murderer has been caught, but Bill and Roy refuse to believe this. When Paul tries to convince the headstrong boys, there is a struggle between Roy and his father, and Roy kills Paul. Eventually, Bill and Roy listen to Sally and let Danny and Mack go. As the play ends, Danny and Mack have left, and the salesman is on his way out the door. Everything else in and around the Paradise Diner is still, including the storm.

Junior Play

Jerry Woodward, Karen Golat, Ann Marie Haughn, Ron Johnson, Sharron Muhn, Sandra Ross, Gordon Greiman.

The second one-act play, written by Wilbur Braun, was "He Ain't Done Right By Nell." The play is an old-fashioned melodrama that was filled with genuine comedy. Little Nell Perkins lives in the hills with her grandmother, Granny Perkins. Hilton Hayes, the villain of the play, overhears Granny Perkins telling Lolly Wilkins, an old maid busybody, that Nell was found outside the Perkins barn over twenty years before, and that she has no real claim to the Perkins name. When Nell refuses Hayes advances and tells him she knows he is paying attention to Vera Carleton, Hilton threatens to shout the true secret of Nell's birth to the world. Nell is much too honest to wed Jack Logan, the manly hero, under false pretenses. Just as she is about to roam out into the "cold, cruel world," Burkett Carleton, who owns the mill, calls at the Perkins' in search of Hilton Hayes. It seems Hayes has stolen money from the mill and is short in his accounts. By the locket worn about Nell's neck, Mr. Carleton discovers that she is his very own granddaughter, who was kidnapped when a baby. So Nell marries Jack Logan after all, and of course everything ends happily.

Junior Prom

Meredith Munger, Mike Tucker, Donna Roe, Greg Mason, Doris Oliphant, Terry Hendricks; Joyce Partridge, David Elliott.

On April 18, 1958, the third annual Junior Prom was held, with Drexel Lamb's Orchestra providing good dance music from 9:00 to 1:00.

The theme of the dance, "Atom's Eve," was carried out with blue and white streamers enclosing the dance floor. Around the outside of the dance floor, tables were decorated with blue rockets, and in the center of the floor, a gigantic grey and red rocket, which was just about to take off, provided the highlight of the theme. At the west end of the gym, the white throne for the king and queen had a blue background and silver stars. Two openings in the streamers permitted one to enter or leave the dance floor, and suspended in each opening was an "atom," with a larger one above the throne. The refreshment table at the east side of the gym had a big lighted "atom" that blinked on and off. Shining down on the band, which was located in the middle of the north side, was a large man-in-the-moon. He was bright yellow, with a red stocking-cap, and was peacefully asleep.

At ten-thirty, Terry Hendricks and Doris Oliphant, Sophomores, led the grand march, after which they were crowned as king and queen of the Prom. The royal court consisted of Joyce Partridge and Dave Elliott, Seniors;

Donna Roe and Greg Mason, Juniors; and Meredith Munger and Mike Tucker, Freshmen.

A wonderful and memorable time was certainly had by all who attended the Junior Prom of 1958.

The annual Junior-Senior Reception was held on Wednesday, May 21, 1958. This year the reception did not take the form of a banquet, as it has in past years, but was a picnic instead. All Juniors and Seniors were excused from school for the afternoon so that they could attend.

The beautiful and natural setting for the reception was the Tecumseh Country Club, with its grass, shade trees, and a blue sky which helped to make the day perfect.

John Dewey, the Junior class president, gave the welcome, after which games, such as volleyball, badminton, and sack races, were enjoyed by all. Then everyone, having worked up an appetite, enjoyed hot dogs and other foods that make up a delicious picnic lunch.

Soon after lunch had been served, the party came to an end, and everyone left with pleasant memories of a wonderful afternoon spent at the first picnic which was planned to take the place of the annual Junior-Senior Reception.

Homecoming

A pep meeting held on Thursday evening started Homecoming festivities off and certainly helped to bring about the school spirit that prevailed on Friday, November 7, 1958.

Friday afternoon, a parade led by the high-stepping high school band, was followed by three convertibles with the three lovely Senior candidates for Queen—Grace Dennis, Linda Hanna, and Sharon McMichael—and the other members of the Queen's court, each representing one of the three lower grades—Karin Walker, Peggy Hedges, and Linda Dicks. Behind the lovely ladies each class and club had a float, and the students followed behind their respective floats, cheering the team on to victory. As the floats paraded through town, three judges who were watching them selected the best class and the best club float. The Juniors won the class prize of ten dollars for their float, which featured a box of "Defeaties," their slogan being, "Breakfast of losers." The Girls' Athletic Association took the prize for the best club float and won ten dollars by using the name of Hillsdale's team (Hornets), with a big sprayer squirting three hornets, to illustrate their slogan, "We'll spray our way to victory."

At half time, the floats were presented to the fans in the stands, and the winners were announced at this time. The candidates for Queen

and the members of her court were also presented, and then the name of the Queen—Sharon McMichael—was announced. Dave Weakly, an injured Indian player, presented the queen with roses.

After the game, which we won, the Homecoming dance, with the theme "Harvest Moon," was held in the gym. On each of the small tables around the sides of the gym, there was a floral decoration arranged within a pumpkin shell, and the punch table at one end of the dance floor had a larger bouquet of flowers, which was similar to the ones on the individual tables. The dance floor, enclosed with streamers of orange and brown crepe paper, had a big corn shock surrounded by pumpkins in the center of the floor. On one side of the gym the band members were grouped, with the Queen's throne placed in front of them; looking down upon the dance floor, back of the band, was a harvest moon. At eleven o'clock, Queen Sharon was crowned by Dave Champanois, Vice-President of the Student Council, who presented her with a gift. After she was crowned, the Queen and her court led off the next dance. Finally, at one o'clock, the last dance had ended, and the Homecoming festivities were over, leaving everyone with wonderful memories.

Christmas Dance

"Silver Bells"

What a wonderful evening!

The Christmas dance, "Silver Bells," was held in the gym Friday night, December 19, 1958, from nine until one.

In the center of the dance floor there was a huge Christmas tree that was beautifully decorated with blue lights. Blue and grey crepe paper outlined the edge of the dance floor and made up the false ceiling from which hung silver bells. At the east end of the gym was the refreshment table, while at the opposite end were great silver bells, set off by two large gold snowflakes.

Guy Nixon's orchestra provided the music for the evening. Behind the bandstand a large silver bell was highlighted, while letters indicating the title of the dance hung in front of the stand.

While refreshments were being served, Varsity Club initiates were accepted into the Club by being presented with their medals. It was also during refreshment time that a special guest—none other than Santa Claus—made his entrance, much to everyone's enjoyment.

When the last dance faded away, the only thing left was happy memories of a wonderful time had by all who attended "Silver Bells."

That's what I call punch!

Swing her, Leroy.

Sponge Week

Mardi Gras

Sponge Week, held February 23-28, was a special time for T.H.S. It is during this time that girls perform special courtesies for the boys, such as opening doors and carrying books.

This year, for the entire week, soft music was played in the library. During the noon lunch hour, girls were not allowed to dance together, but they were expected to ask the boys to dance.

Monday was designated as "Kick-off Day" to help build up everyone's interest. Casualness was more in evidence than usual on Tuesday, "Old Clothes Day," when comfortable, old clothing was worn. "Color Day" or "Middle Name Day" was held on Wednesday. Students wore either a variety of colors, such as orange, pink, and blue together, or school colors, orange and black. Some brought 'an apple for the teacher,' and almost everyone wore a tag revealing his middle name, so that others could address him by it. The student body made quite an impression on Thursday, as everyone participated in "Dress-Up Day." Friday was "Gum and Candy Day," with a number of tired jaws by the end of the day.

The climax of Sponge week came on Saturday night with a dance in the gym to which the girls took their favorite guys. Each girl made a corsage for her date out of sponge, candy, and other useful items. The theme of the dance, "Mardi Gras," was carried out by a multi-colored false ceiling of crepe paper, many different crepe paper designs on the walls, and the tables done in a wide variety of colors. The music, from 9 until 12, was provided for everyone's enjoyment by Dick Tilkin's Band. This year, for the first time, a King was chosen for the evening, the candidates selected from each class being Bill Fielder, Jim Poley, Charles Rebottaro and Ron O'Neill. After the Grand March, Bill Fielder was crowned King by Doris Oliphant, who is our Student Council President. Surrounded by the other candidates, who made up his court, Bill stood within a blue and gold crown which had been constructed in the center of the dance floor. Refreshments were then served. Too soon the strains of the last dance filled the gym, but those who attended the dance left with wonderful memories of another glorious evening.

 BOTTOM ROW: Greg Mason, Don Sweet, Terry Hendricks, Jim Mangrum, Dave Champanois, Lee Britton, Jack Sisson, Steve Kruger, Clarence Champanois

The 1958 Tecumseh Varsity football squad had the most successful season witnessed in many years. Under the guidance of a new coaching staff, headed by Coach Duncan Lectka, former North Muskegon coach, and his assistant Mike Rotunno, former U. of M. football star, the T.H.S. Indians completed the season with a six win, one loss, and two tie record. Our boys were co-champs of the Southeastern League, tying with Bedford.

The first game of the season, on September 19, gave promise of what was to come, as we outplayed a powerful Hudson crew. The Indians fought Hudson to a scoreless tie to interrupt their long winning record.

The next week we traveled to Monroe C.C. and again outplaying our opponents, we finally won, 7-0. Entertaining Airport, we really hit the scoring column, to win, 39-0. At home again, our defense refused to yield points, as we dominated the game to win, 27-0, over Mason. Then we traveled to Bedford for a crucial league game. Badly outweighed, the Indians faltered and managed only a 6-6 tie.

On the road once more, the combination of the Indians and rainy weather spoiled Willow Run's Homecoming festivities with a victory for us, 40-0. A Saturday afternoon game at Howe

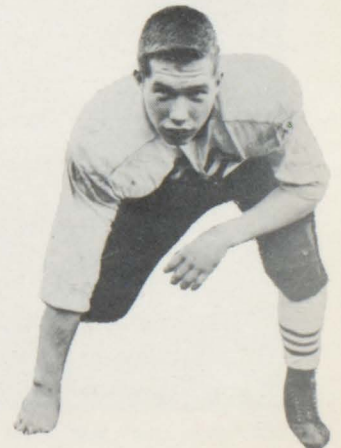

Military Academy proved worth the long trip, as we won, 46-6.

Our Homecoming and a chance at the league title fired the Indians up to win the exciting contest, 19-0, over Hillsdale. In the last game, however, disappointment struck the hearts of the Indians and their many loyal fans, as our boys lost their only game of the season, 25-13, to our rival Adrian.

The highlight of the team this season was the defense, yielding only 37 points in nine games, while offensively we scored 197 points. We believe that this season's showing has pulled Tecumseh out of its long slump.

The Senior lettermen who sparked the success of the team were: David Champanois (Captain), Dan Cisco, Les De Jonghe, Dave Hohenstein, Ron Johnson, Greg Mason, Jerry Munger, Bob O'Neill, Carl Schmidt, Don Sweet, Mike Walters, Larry Yoakum. The returning lettermen are: Juniors—Lee Britton, Jim Curth, Bob Dick, Terry Hendricks, Roger Korte, Steve Kruger, Jim Neitling, Jack Sisson, Tom Walters, Dave Weakly, and Bob Wilkins, and Sophomores—Jon Aho, Clarence Champanois, and Ron Hathaway.

Tecumseh's 1958-59 Varsity basketball team did not have as successful a season this year as usual; they finished fifth in their last year as a member of the Southeastern Michigan League. However, in our seven years in the league, we won the championship three times. Hillsdale won three championships and Monroe Catholic Central won one title.

The Indians, under the guidance of Coach Lawson, started their season by winning a non-league contest at Clinton, 61-31; their second non-league game, at Milan, also ended in victory, 55-43.

Tecumseh's first league game, played in our gymnasium, was a 45-43 loss to Hillsdale in the last seven seconds. In quick succession, we lost three more games to non-league competitors and two more to league teams. We were overpowered by Willow Run, 67-61, Dundee, 75-53, and Adrian, 52-41. The league games in which we were defeated were: Monroe Catholic Central, 70-63, and Airport, 62-53. A 60-49 league victory over Bedford finally broke our losing streak. Hillsdale again trounced our fighting five, 81-59, in a rough hardfought game.

In the next two away games we smothered Blissfield, 79-43; then lost a heart-breaker to Monroe Catholic Central, 68-61.

In our last two home games of the season, we defeated Milan, the Huron League leader, 64-48, and edged Airport, 59-54. Tecumseh's last game of the regular season was another loss, this time to the Bedford Mules, 66-58.

Varsity letter winners for the 1958-59 season were: Seniors: Dan Cisco, Co-Captains Bob O'Neill and Larry Yoakum; Juniors: Jim Curth, Bob Dick, Steve Kruger, Jim Poley, Jack Sisson, and Tom Walters.

Other Varsity squad members were: Seniors: Dave Hohenstein, Mike Walters; Juniors: Terry Hendricks, Leonard Penrod.

The Indians, determined to make amends for their poorest showing in their seven years in the Southeastern Michigan League, were assigned to the District Tournament at Blissfield.

Tournament play started on March 4th as Bedford defeated Blissfield, 78-47. On March 5th the Indians met the highly-favored Monroe Catholic Central Falcons and avenged the two regular season defeats by winning a hard-fought

Basketball

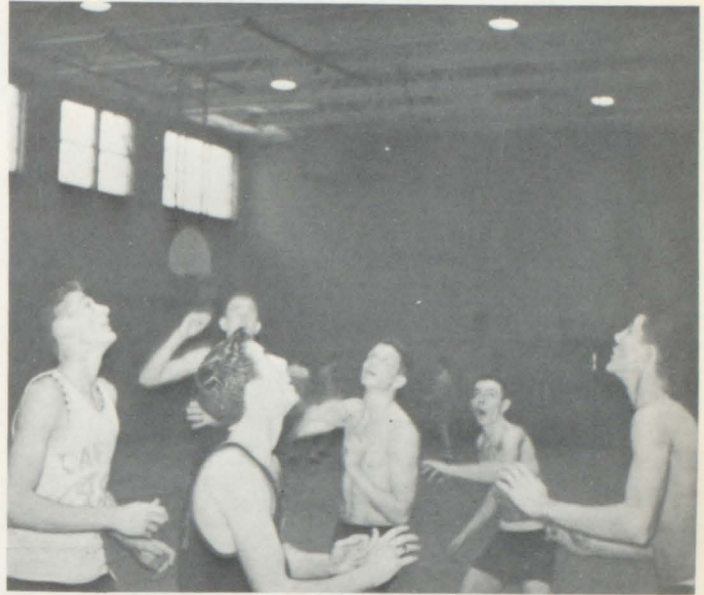

game, 70-66.

On Saturday, March 7th, the Indians met another Conference rival, Bedford, for the Championship and defeated the Kicking Mules, 50-32, for their third consecutive District Title.

The Indians will compete in the Regional at Willow Run against Willow Run.

The 1958 T. H. S. track team had a very successful season. The return of eight lettermen, aided by twenty-two other candidates, accounted for the success of the squad, which was coached very capably by Mr. Donald Brazee. Out of eight dual meets, we lost one. Some of the more talented members of the team participated in the Central Michigan Relays, Albion Invitational Carnival, the Regionals, and the Hudson Invitational Relays. We placed third in the Southeastern League Meet.

The season started out victoriously for us. The thinclads took ten first places to romp over Blissfield, 72-37.

Our first league encounter was a close one with the Bedford Mules, but a fast track, a nice day, and a winning 880 yard relay team decided the deadlocked contest in our favor.

A strong, superior Milan team and a bad day for our boys gave us our only defeat in dual competition; we suffered a 70-39 loss.

Back in tune again, we took nine firsts, to defeat Monroe C. C., 69-40, in our second league encounter.

Next, we won an exciting one point victory over powerful Adrian, 55-54. Winning in the half mile and the relay teams did the trick.

The 1957 Co-Champs, Hillsdale, gave us a good contest, as we downed our third league victim, 65-44.

Airport made Tecumseh earn another victory, as we defeated our last league opponent in dual competition, 63 1/6—45 5/6.

In the final dual contest of the season, we completely dominated the meet, taking twelve of the thirteen events, to win over Ypsilanti Lincoln, 88½—20½.

Our boys failed to hold up our standing in the Annual Southeastern League Meet, as we placed third behind Bedford and Monroe C. C. Our only first and only instance of a record broken was the time of our Medley Relay team.

At the Central Michigan Relays, our Middle Distance relay team took a fifth place, to put us in twenty-ninth position among fifty schools. At Albion we placed twelfth by taking first and fourth in the High Jump and Broad Jump respectively. In the Regionals at Ann Arbor, we scored 14½ points for sixth position. We placed in High and Broad Jumps, High and Low Hurdles, the Mile, the 440, and the 880 Relay. We did not go to the State Meet. To end our season, we went to the Hudson Relays, where we placed second for 14 points behind Hillsdale, with 15 points in a field of four schools.

Mike Walters and Al Dick were our two top scorers for the season, with 75½ and 74 points respectively. Letterwinners were—Seniors: Al Dick, Darrell Lowery, Bob Marsh, and Larry Robison; Juniors: Gary Elliott, Ron Johnson, Gerald Kruse, Jim Mangrum and Mike Walters; Sophomores: Roger Mead, Richard Solarski, and Tom Walters. Other boys who showed possibilities in the spring of 1958 were Sophs Phil Hendershot and Terry Hendricks, and Frosh Dean Eddy.

TOP ROW: John Dewey, Jim Curth, Ray Sluyter, Bob O'Neill, Richard Stevenson, Dave Van Valkenburg

 FIRST ROW: Ken Beevers, Mgr., Ted Harvey, Karl Cranston, Jon Weakly, Larry Yoakum, Lynn Frost, Jon Cook

Although the T. H. S. baseball team did not do too well in 1958, it bettered its previous records of the last few years by winning five and losing six games.

The team started off by winning a five-inning scrimmage over Clinton, 6-2, then losing to Blissfield, 3-1, in a cold and rainy four-inning ballgame. Tecumseh's third home game was another loss, this time to Monroe C. C., 11-3.

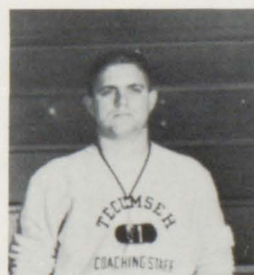

In our out-of-town games, we lost to Airport, 4-1, then to Hillsdale, 3-2, both of which were league games. Then we finally came up with some runs to beat Milan, 8-3, in a non-league contest. With our spirits up, we went on to beat Bedford, 1-0, in another league game. The highlights of this game were Bob Wilkins' fifteen strike-outs and his base hit that brought in the winning run. In our last out-of-town game we were defeated again by Monroe C. C., 5-2.

In another home game, however, we defeated Airport, 3-2, getting all of our runs in a seventh inning rally. We lost another game to Hillsdale, 2-0, in a pitchers' battle. Finally we "polished off" the season by beating Bedford, 15-0, a game in which fourteen of our runs were collected in the first inning.

Our league record for the season was "three wins and four losses," and we finished in a third place tie with Airport.

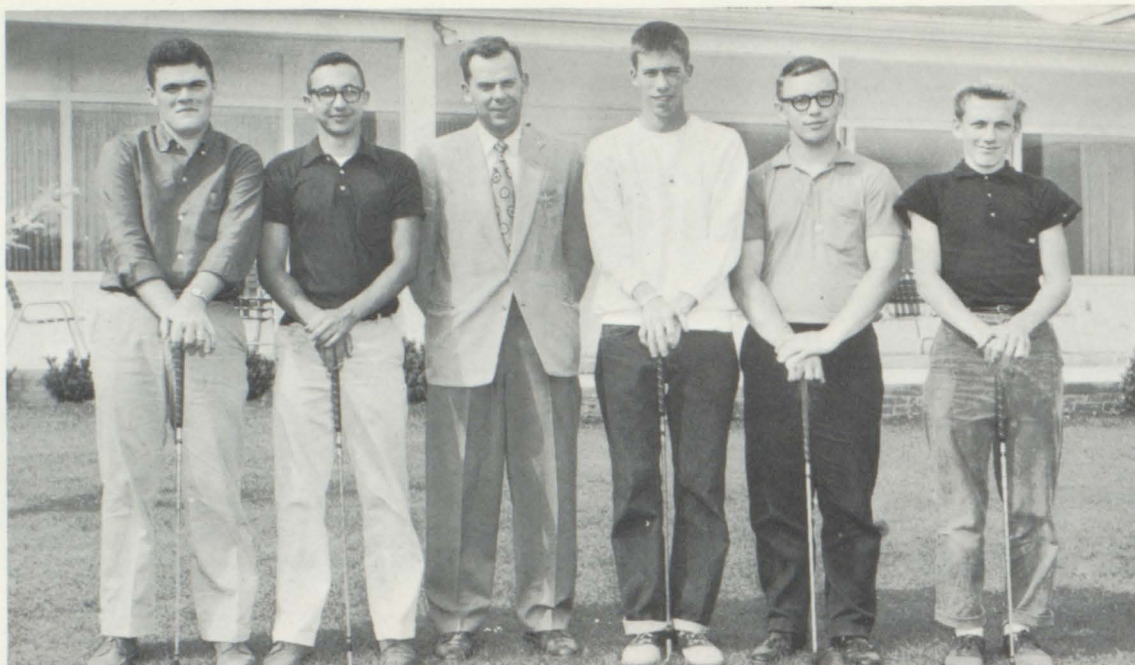

Those who received letters for the 1958 season were Karl Cranston, Jim Curth, Lynn Frost, Dick Horvath, Tony Kasik, Steve Kruger, Bob O'Neill, Richard Stephenson, Jon Weakly, Bob Wilkins, and Larry Yoakum.

The manager was Ken Beevers, and Mr. Dermont Poley coached our 1958 baseball team.

Golf

Dave Lamkin, Max Smith, Coach Murdoch, John Elliott, Dick Baker, Gordon Greiman.

The T. H. S. golf team of 1958, under the guidance of Coach Doug Murdoch and official tutor, Pro. Leo Bishop, became the first team in the history of Tecumseh High to take a state class title. Our boys were State Class B champs. The team also had a good regular season, winning four of the five dual matches and one of the two triangulars which they took part in. To qualify for the State match, we took the regional crown.

Our first match was at Adrian, where our linksmen tallied a total of 326 strokes to their opponents' 354, to win the match. Dave Lamkin and Max Smith were the low medalists, with 75 and 81 strokes respectively for eighteen holes.

On our own course the team set a new Tecumseh High low score record of 314 strokes, to defeat Jackson St. John's with 332 strokes. Dick Baker, with 74, and Dave Lamkin, with 75, were low.

Then we entertained Hillsdale and Adrian in a triangular meet. Tecumseh won with 338; Hillsdale was second with 345, and Adrian third with 356. Max Smith had a low of 78.

Monroe High barely gave us a contest, as we beat them 319 to 411. Dave Lamkin took low honors with a 75.

In another triangular at Jackson, with St. John's and St. Mary's, we were defeated by both teams. The score ran St. Mary's, 332; St. John's, 346; and Tecumseh, 356. Dave Lamkin again

was low man.

At Monroe we traveled the links to another victory, beating them 332 to 365. Max Smith took low medalist honors at this match, with a 78.

Tecumseh lost its first dual match at Hillsdale, as Hillsdale turned in their best score of the season, 316 to our 332 for that meet.

At the regionals at Brighton, our foursome placed first, with 324 strokes defeating ten other participating teams. The second place score was 333. Max Smith was second low medalist with a 77.

This qualified us for the State contest at Kalamazoo. Tecumseh shot a 326, to tie with Hillsdale for the State Class B crown. Both Hillsdale and Tecumseh received trophies and the State Class B title. Considering the fact that there were fourteen teams which qualified for the state match, and approximately seventy-five teams which started out in the regionals, our golf team truly deserves praise. Max Smith tied for fourth low medalist. Other Tecumseh players and scores were: Dick Baker, 80; Dave Lamkin, 82; and John Elliott, 86.

Five boys earned letters in 1958; they were: Dave Lamkin, Max Smith, Dick Baker, John Elliott, and Gordon Greiman. Dave Champanois and Dave Hohenstein worked out with the teams but did not earn letters. Max Smith and Dave Lamkin had average scores of 78 for the season, showing a well-balanced team.
