Advisors—Mr. Kalom, Mr. Nelson

This year the Science Club has done much for assemblies bringing in speakers from both the Atomic Energy Commission and the National Aeronautics and Space Administration.

Among their activities have been the building of a float, "Cremate the Rams" for the Homecoming parade, and the building of the Science Library. They have had speakers from the U of M Dental School, the Michigan State Police, and the Tecumseh Community Health Study.

The goal of the Science Club this year is a bigger and better 1963 Local Science Fair.

## *Amateur Artists*

President, Tim Fero; Vice President, Kermit Wheeler; Treasurer, Kay Southwell; Secretary, Barbara Klught.

A new club in school this year is the Art Club. Under the direction of Mrs. Westdyke, the club drew up a constitution and held an election of officers. The monthly meetings of the club included such activities as making posters for the Student Council, drawing abstract art, and giving a St. Valentine's party. The Art Club is seeking to create an appreciation of art in Tecumseh High School students.

"Go, team, go" is the familiar cheer we remember, whether we're sitting in the stands watching our football players receive a punt, or whether we are on the bright basketball court guarding our man. The glorious sensation of winning is ours forever.

Varsity Cheerleaders, left to right are: Bonny Staup, Sherry Packard, Nancy Martinus, Mary Smith, Betty Kish, Sharon Greene.

*Fight, Fight*

Lettie Ringman, the varsity alternate, did a fine job of cheering during football season, as she stepped into the shoes of Betty Kish who had a prolonged illness.

Junior Varsity Cheerleaders, left to right are: Karen Gottschalk, Susan Hoenstein, Judy McMichael, Karen Miller, Kay Upell, Susie Bortoff.

Tecumseh's first golf match of the season was with Jackson St. John's on April 27. We defeated them by a close margin of 340 to 347. The next match, scheduled with Madison, was rained out so the second match was with Grosse Ile on May 1. We again won by a rather slim margin, 176 to 186. On May 2, we traveled to Adrian and defeated out "big Brothers" 328 to 331. Adrian Catholic Central came to play us on May 4 and gave us our first loss of the season, 328 to 326. Next, we went to Brighton and were defeated by a score of 179 to 175. On May 9, we visited Adrian again, only this time we met with Catholic Central and were once again defeated by a 338 to 321 decision. On May 11 we went to Jackson and

played Jackson St. Mary's and Jackson St. John's. Our varsity defeated St. John's, 316 to 327, and St. Mary's came in third with a 359. On May 18 we captured first place in the regional meet with a 324 score just after defeating Grosse Ile on May 11, 170 to 181. We climaxed our season with an eighth place position in the state match.

We had a very fine track season at THS again this year. We took 5 wins and 3 losses, finished 9th in the Albion Relays, 2nd in the Tecumseh Relays, 4th in the Regionals, and 5th in the League Meet. Surprising performances by freshman Bill Thomas and the record breaking career of Dan Greene proves to be two outstanding events for Tecumseh rooters. Once again Tecumseh participated in the Lenawee County Track Meet and, this year, we rode triumphantly home with a victory.

Back row: Doug Goldsberry, Mike Osburn, Tom Smith, Jay Osburn, Bill Thomas, Eric Robinson, Jim Johnson, Dan Greene. Front row: Jerry Carpenter, John Oberlein, Kirk Lucas.

## Tecumseh Batsmen

A desire to play and a sportsmanlike attitude, even in defeat, are two of the main characteristics of an athlete. We have no reason to be ashamed of our batsmen at T.H.S. Let's hope that next season we will find our team on the winning side.

After two mediocre seasons, our football team seemed to spring to life. Under the direction of a fine new coach, the team appeared to be in there fighting every minute. We started out the season by downing Willow Run and kept the ball rolling all through the season. Along with surprising ability in the backfield, the line proved to be tougher than in past seasons. A new addition, "The Apaches", instilled vigor into the team. Perhaps one of the brightest moments of the season was when Dan Green was named an All Stater.

## Our Fine J. V.'s

This year's Junior Varsity squad has had a remarkable inspiring season. With the type of ball these boys have been playing, along with the sportsmanlike attitude, they will surely represent Tecumseh well when they reach the varsity squad. Fine coaching from Mr. Gross and Mr. Hale also have added to make 1962 a fine season for our Junior Varsity football team.

## Our Fresh Team

Our Freshman team, containing the youngest of all our athletes, is invaluable for the training it affords for these future Varsity Candidates. We certainly can be proud of the 7-3 record these boys have maintained this year. If the scores of our Freshman team are an accurate gauge, we can be assured to find basketball players to fill our Varsity squad for several years.

The 1962-63 season of the Girls' Athletic Association's basketball squads has proven to be a season of success. Under the excellent guidance of Miss Pickens, the Varsity squad was faced with only one defeat as they took part in a series of two games each with five different schools. This superb guidance was reflected again when scores ran up to 68 points in a single game.

The extra-curricular activities constitute some of the most unforgettable memories of the school year. Decorating the gym in happy anticipation of the dance that night, the enlightening talks by our assembly speakers, the crazy skits by our cheerleaders, the pep talks by the coaches, and the joy of working with and belonging to the group—these are some of the things that we will always remember.

*Twirp*

*Twirl*

The gala festivities of Sponge Week were capped by the "Twirp Twirl" at the Community Center. Throughout the week, each girl placed her name and her date's name on the picturesque Dingle-dorf Tree which adorned our south foyer. On Tuesday, the candidates for Sponge King, Niels Hansen, Mark Vaillancourt, Jim Baker, and Richard Duffin were chosen. Wednesday everyone came to school decked out in their "Sunday-go-to-meetin'" best. Thursday we jumped at the chance to wear clashing colors and play instruments in the halls. But the day we were all waiting for was Friday, when we could chomp on gum and candy while we sprawled leisurely in our old clothes.

Tradition prevailed once again when the Junior Class played host to the Senior class in the annual Junior-Senior picnic at Hidden Lake Gardens. Volleyball, badminton, and baseball were played and the Juniors displayed their superiority by winning the annual tug-of-war.

Mrs. O'Neill, her staff, and several Junior girls prepared a delicious meal of sloppy joes, baked beans, cheese sandwiches, and potato chips and punch. This gourmet's delight was quickly devoured by all.

The Junior-Senior picnic is not complete with all its fun, unless it is well supervised! Joining in our fun were Mr. Brazee, Mr. Hoffman, and Mr. Howard.

## *Garden of*

Hard work on the part of the Juniors gave rise this year to this dance in a paradise underwater. The presiding figure was, quite naturally, King Neptune himself. He was surrounded by a lovely rock garden which boasted a beautiful mermaid. As each student entered the dance through the "tunnel to the sea," they encountered small cardboard fish hanging from the false ceiling of blue paper. By covering the bleachers with light blue waves on a white background, the decorators created the illusion of being under water.

## *Neptune*

The guests could rest at tables decorated with sea shells and coral or dance blissfully in this "Garden of King Neptune." The music, provided by the Ed Charles Band, carried through the waves from the middle of a sunken ship.

Before the great sea shell in the center of the floor we crowned King Norman Tucker and Queen Betty Kish. Those in their court were: Seniors, Roy Rodriguez and Meredith Morden; Sophomores, Jim Simmons and Karen Robinson; and Freshmen, Steve Derby and Sharon Green.

# *Mother Goose Land*

The 1962 Homecoming activities began Thursday night with an enthusiastic pep rally and blazing bonfire. On Friday afternoon, the annual parade was held. The class of '65 won first place with their float, "Ding Dong Bell, Rams In the Well, Who Put 'Em In, Tecumseh Indians." In the club division, the Varsity Club placed first with their float, "Lead the Rams to Slaughter."

Immediately following the Indians' victory over Flat Rock, the couples entered a make-believe world of nursery rhyme's, "Mother Goose Land," for the Homecoming Dance. Pink and blue pastel streamers created the false ceiling while sketches of nursery rhymes decorated the walls.

At eleven-thirty our queen, Sherry Packard, was crowned in front of a large shoe in the center of the gym. The Rhythmaires provided the music from ten until one.

*"Peppermint*

*Lane"*

On December 22, 1962, the annual Christmas dance was presented by the class of 1963. "Peppermint Lane," carried the color scheme of red and white throughout the dance.

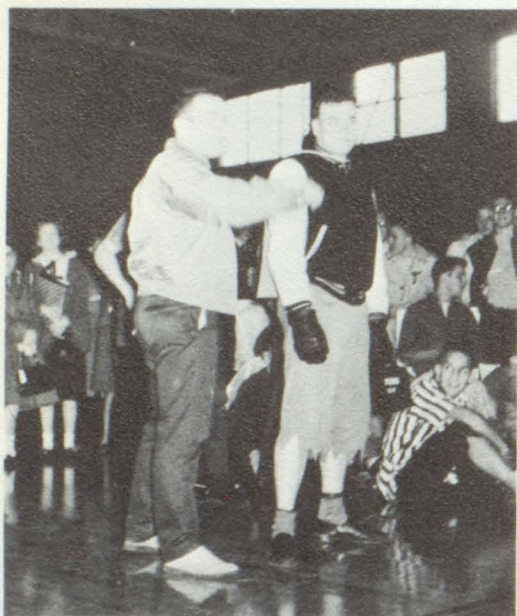

The gym walls were covered with white paper decorated with an assortment of peppermint candies. In the center of the gym, was a large, red brick mantel topped by two gaily decorated Christmas trees. Red and white streamers were used to create a false ceiling; candy canes dangled on the end of each streamer. Bright red cups of candy canes were placed in the center of each table.

Music was provided until twelve o'clock by Ed Charles and his band. At eleven, refreshments, consisting of punch and cookies, were served.

# *Slave Auction*

How can we ever forget the great slave auction? Surely this was an activity that we will always remember fondly and with smiles.

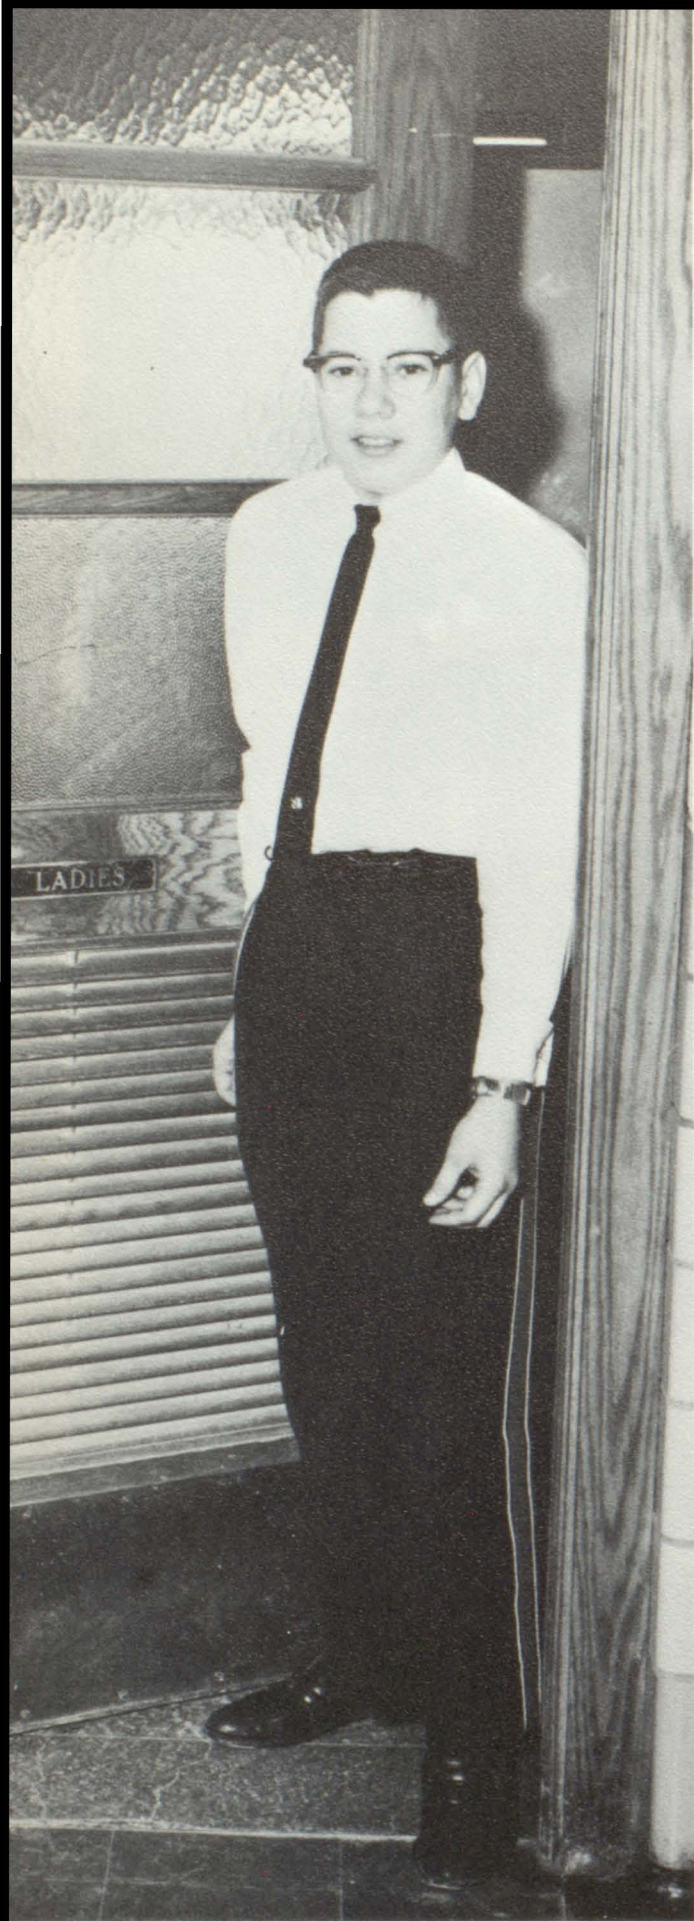

But there was a serious side to the Varsity Club Initiation, too. Let's not forget that the responsibility of keeping our school's name clean rests partially on the shoulders of these boys who represent our school in sports. As students watch intently, the initiates take an oath to conduct themselves as good sportsmen at all times.

# S N A P S

The individual spirit of Tecumseh High is captured in these snapshots. Looking at these pictures, we'll see apathy, diligence, and good-naturedness; those different sentiments that we are so accustomed to seeing in our daily life at school. The compatibility of our fellow classmates and teachers will live in our memories as we glance through these pictures.

*Farewell T. H. S.*

Another successful year has passed at T.H.S. We hope that, in the future, as we leaf through these pages, we will be able to recall the spirit of compatibility and the spirit of learning that binds us to our school. We will begin a new phase of our life as we leave our Alma Mater. But, as we turn from the doors of T.H.S., we will be filled with gratitude to our school for making our four years worthwhile.
