SHELF LIFE

BEYOND THE STACKS

20 YEARS!

The Library is ready to celebrate! We are celebrating both our twenty years as a district library AND the wonderful millage election results.

The celebration will be held Saturday, September 30 from 1pm-5pm at the library. We have a full schedule of activities: storytelling, magic show, dance troupe performance, presentation on the history of Tecumseh, Lego activity, craft projects and more.

Our Trustees, our staff and our Friends of the Library will be here, so please stop in and join the festivities. Even if you aren't able to attend, we thank you for your support, appreciate your votes and hope you'll join us as we begin our next decade.

Our Vision Statement:

The Tecumseh District Library strives to be a premier facility offering a welcoming, accessible community resource where all people can learn, explore, interact, create, and enjoy.

Partnering With the Community

Partnerships are a useful tool for creating exciting and well-attended library programs. TDL has partnered with almost 100 individuals and organizations over the years. Partnerships are a great way to stretch community resources for both the library and the business/organization/individual. Below are some of our strongest partnerships and some of the reasons they are so valuable.

Hidden Lake Gardens. They provide opportunities to enjoy and learn about nature. They are a pleasure to work with because the event planning process is always innovative, creative and fun.

3 Dudes and Dinner. The sushi class they led was certainly enjoyed by our patrons, with both classes filling up. An additional class is coming up in November. These classes open up opportunities for patrons to learn a skill they may not normally be exposed to.

Paper Street Soaps. The library partnered with Paper Street to offer a body wash class and a bath bomb class. These classes provided library patrons with an opportunity to make inexpensive gifts.

Musgrove and Co. Coffee 101 provided patrons with an opportunity to taste test various coffees. In the past, they hosted an entertaining Open Mike Night. The owners and staff are very flexible and easy to work with, which is always a plus.

Lake House Bakery. This Chelsea establishment offers new recipes for those attending, such as pastry and pie dough. The owner, Keegan, is quite knowledgeable and enjoys thinking outside the box.

Boulevard Market. Community members get to learn useful skills from their programs, such as making a charcuterie board. Owners Erika and John seem to be creating something new all the time.

Frank Zanger from Edward Jones. Frank teaches new financial skills and is always up for an adventure.

Tecumseh Paddling Co. This business offers opportunities for patrons to exercise and enjoy nature while having fun. They have always been very supportive of TDL, which we appreciate.

Carnegie Studios. They do a wonderful job teaching craft classes. Susan Amstutz, from Carnegie, often teaches with Sherry Peterson from the Bead Box Rocks & Gemstones Gift Shop. Chuck Harpst, our Reference and Local History Librarian, has worked with them for many years. He comes up with an idea and they make it happen.

Way of Life. Community members get to try a class for free, which is a huge benefit. Way of Life makes exercise enjoyable!

Pro Medica Charlotte Stephenson Manor. They provide bingo prizes to add some additional excitement, as does Edward Jones and the Lenawee Medical Care facility. We are certainly grateful for their generosity.

The Eve and Annie Boutique. This local clothing store organized a fashion parade so library guests could learn about the latest clothing trends. What a fun idea!
