From the Director

My family and I are still pretty new to Tecumseh — we moved here in December and it recently occurred to me that I've never seen Tecumseh with leaves on the trees! Well, that's finally changed — right now, the colors around town are stunning, and there's a real sense of excitement as we head into a new season.

It's a great time to look ahead to summer, and we're excited to share that the theme for Summer Reading 2025 is "Color Our World". You can learn more and register at our Kickoff Party on June 7th from 1–3 PM. We'll have lawn games, snacks, and a fun magic show for all ages. Whether you're signing up as an individual or bringing the whole family, everyone is welcome to join.

We're encouraging everyone to read 25 hours between June 7th and July 26th (just 30 minutes a day!). The more you read, the more raffle tickets you'll earn, and those tickets increase your chances of winning some great prizes at our Finale Ice Cream Party on July 26th from 1–3PM.

We're looking forward to a summer full of color, creativity, and great stories — I hope you'll join us!

We're excited to announce the return of TDL's Seed Library for its fourth year! This beloved program continues to support local gardeners by providing free seeds to encourage sustainable gardening, biodiversity, and community engagement. Whether you're a seasoned gardener or just getting started, the Seed Library offers a variety of vegetable, herb, and flower seeds to help you grow your own food and beautify your space.

Simply visit TDL to browse our seed collection and choose your seeds to plant at home.

From games to tools, TDL now has a *Library of Things* that allows you to check out items you don't own but absolutely need. Going on Summer vacation? We have board games and a portable DVD player that may come in handy. Stop by the Circulation desk for more information.

Recent TDL Donors

We feel very fortunate to have the support of our community and we thank all the donors who have recently contributed to TDL.
